

Message from MARY, HOLY MOTHER OF GOD

To THE WORLD

October 13, 2003 at 6:03 pm through interior locution through Chris Courtis

My children,

I come to you to ask you all to live my messages. Little children, to live my messages is to change your life. I am asking all to pray the Rosary for peace and to fast for the love of God.

Little children, stop murdering all that is good. Babies, my little children, are a sign to you all that He, God, has not given up on humanity. Little children, pray every day for the suffering souls in purgatory and ask God to help you in your sufferings. Little children, pray always, pray unceasingly, pray in the midst of trials and sufferings, and I will always be near.

I love you all, my little children, but the time has been fulfilled in which shall come my Son's divine mercy. This mercy he gives is for everyone, so I'm asking all my little children to pray and to comprehend the graces that God is giving to you through Jesus' divine mercy.

I have come with one purpose and one purpose only, to invite you, little children, back to my Son Jesus who loves you blindly. Little children, my Son's hand is rich in mercy and love and He is giving it to you every day. But, my dear little children, time is running out to receive His mercy and love. You must return to My Son's mercy and love now while there is still time.

And I am also inviting the world to come closer to my Son so that He may help you and so that He may love you. Why, little children, do you resist the love and mercy of my Son when He loves you so much? My little children, please wake up to His mercy and love, and pray with all your hearts and return once again back to the love and mercy of my Son! When you have done that, then true peace that comes from God will reign in your hearts.

I love you all. Peace, and remember, My Immaculate Heart is always with you, and I bless you with my motherly blessing of peace, love and joy.
