

Message from MARY, HOLY MOTHER OF GOD
To THE WORLD

October 2, 2003 at 6:03pm at home through interior locution to Chris Courtis, a visionary in
Maryland, U.S.A.

My children,

I call you always to be in a state of prayer. This is the only way I know how to protect you from Satan and his attacks. Little children, pray, pray, pray so that through prayer you may be united to me and so that I may protect you. You do not see with the eyes of God and you do not listen with your hearts. You are not aware of all the temptations and snares that Satan wishes to catch you with.

My children, you are very poor in judgment even in regards to my appearances in the world. I have asked you for prayer with the heart so that you may know the truth and so that your life may be lived in peace. But you are slow to respond to this call. Many of my children are being deceived by the devil. He even goes so far as to present himself as an angel of light. Lies mixed in with the truth are being fed, and because lies are mixed in with the truth, one cannot separate the lies from the truth; therefore both are lies.

Therefore, I call you to pray, pray, pray without ceasing. Live your life in prayer so that you may know the truth and be close to Heaven. You cannot know God without receiving His divine truths first. And for that reason do I call you to prayer. Your life should be lived in prayer and your weapons should be the Rosary and Holy Mass. My Immaculate Heart is always with you, and I bless you all with my motherly blessing of peace, love, and joy.
