

Message from MARY, HOLY MOTHER OF GOD

To THE WORLD

October 9, 2003 at 6:03 pm through interior locution through Chris Courtis

My children,

I call you all to pray, pray, pray! Little children, it is very important that you all pray and amend your ways. Be children of God by loving all people. You are very special to me, and I wish to grace you all with many graces. So, my little children, pray and then I will be able to grace you with many different graces.

Also, little children, I call you to return to God. My little children, God the Father loves you so much that He has given His only Son, Jesus, to be your Savior! Little children, God's love is unbounded and is free for everyone. Oh, my little children, you are on the road to hatred and destruction. The more you walk further from God, the more the divisions grow far and wide.

It is time, my little ones, to wake up and return to God before it is too late! God loves you. My Son loves you. The Holy Spirit is poured out upon you and I, your mother, love you all very much.

You need to pray for peace in the entire world and you need to pray that people return back to God and His church. Pray also that the people's moral values change. Let the government of this world try to serve the people more than that of their own selfish needs. Return to God, my little children, because only in His ways and in His ordinance do you experience all that is good.

My Immaculate Heart is always with you, and I bless you with my motherly blessing of peace, love, and joy.
