

DESCRIPTION OF FEBRUARY 13, 2004 APPARITION

(The apparition on February 13, 2004 through Chris Curtis was a silent apparition, i.e. neither Jesus or Mary gave a verbal message. The following is Chris' description of the apparition.)

Our Lady came dressed in white like Our Lady of Fatima and she appeared holding the Infant of Prague, the baby.

He blessed everyone. Our Lady prayed over everyone individually and separately and she prayed the "Glory Be"

over everyone. She taught me a prayer with the Sign of the Cross and The Infant of Prague and Our Lady blessed all the Infant of Prague statues up there and said today we received great graces. And also St. Anna appeared towards the right of Our Lady holding a long blanket which is the mantel of Our Lady. Though no words were spoken, I understood interiorly that the missing key to understanding Our Lady is going through St. Anna. We go to St. Anna to get to Mary and Mary to get to Jesus, and St. Anna came with a long creamy light blue mantel and that's the mantel of Our Lady. From what I understood interiorly is that those who go to St. Anna would automatically be drawn to Our Lady, and that's what she will wrap around them, and the Infant of Prague not only confirmed it, but blessed everyone here.

The prayer she taught me:

As you make the Sign of the Cross, you say, "Glory Be to the Father and to the Son, and to the Holy Spirit, as it was in the beginning, is now and ever shall be, world without end. Amen" (x3)

Then in the Greek tradition, you kiss your right thumb for the Blessed Mother and repeat the Sign of the Cross with your thumb, going from right to left instead of left to right, saying, "Glory be to the Father and to the Son, and to the Holy Spirit, as it was in the beginning, is now and ever shall be, world without end. Amen."

On February 13th every year Our Lady would like you all to bring your Infant of Prague statues to be blessed.

I have seen Our Lady, I've been seeing Our Lady since 1995, and I've seen the child Jesus only, like on Christmas as a baby, the child Jesus maybe two or three times since 1995. One time was at a prayer meeting. You know, Our Lady asked us to bring the Infant of Prague and have a devotion to Him to make us little and humble, and I'm completely shocked because I wasn't expecting that Our Lady would come with the Infant of Prague. I didn't know that, so for me to get to see Him that way is to me, just unbelievable! For Our Lady to come with the Infant of Prague in her right arm is a really great grace and blessing, so please, receive that, receive the graces that they want to give you. Take it with you. Take home your Infant of Prague. Don't stop having a devotion. Continue to have a devotion to Him and all I can say is it was a gift from God and Our Lady that she appeared with Him under that title in her arms. That's all I want to say. You all have been really, really favored with a tremendous apparition because, even me, because I've never seen the Lord Jesus under that title!

Q. Did you see her praying over people?

A. Yes, she went around individually to everyone and she prayed over them. I prayed the "Glory Be" with her. She prayed the "Glory Be" too, so not only did she pray over everyone,

→
she prayed in thanksgiving to God so the graces that you received will be yours and also, yes, the "Glory Be" is always prayed in thanksgiving. So not only did she pray over you, she thanked God for each one of you.

Q. Is this the first time St. Anna has appeared?

A. To me, no. I have seen St. Anna before. She's never appeared publicly, no, just privately. And like I said, she had Our Lady's blue veil because Our Lady was dressed all in white. So the message that I got interiorly was those people who go to St. Anna, are automatically clothed with the mantle of Our Lady. St. Anna was holding the mantle like in the pictures of St Veronica holding the mantle she wiped the face of Jesus with. St. Anna's face almost looks like Our Lady's but with different eyebrows, different texture, but she holding at arm's length a big, long, blue mantle and it reached down to her feet.
