

Message from JESUS, LORD AND LOVER OF THE DIVINE WILL
To THE WORLD

January 13, 2004 through Chris Curtis, a visionary in Maryland, U.S.A.

My dear and beloved children of My Father's earth,
I come today to you with a crown of glory. I am your king and your lord and I live so that you may live with Me. I am with you. Today's message is one of importance, because although I am your savior and your king, I am also your suffering savior who wishes to save humanity out of the dangers that exist. In order for humanity to receive My help, you must be willingly to accept correction and be willing to embrace humility and love.

There are many sorrows in the world -my little ones who do not have enough to eat, to abusive parents and abuse within religious communities. My little children are suffering and I have come to save ALL OF THEM. In order to be saved, you must be willing to humble yourselves and to receive the correction that is needed. I'm for you for conversion, and I implore you to go to Confession, to receive Me in the Blessed Sacrament, and to sincerely repent of your sins and to help others to do the same. I call you for forgiveness, and I call you out of My love to help forgive others as I love and forgive you. You are called to imitate My virtues and My love for humanity. Help Me save souls by the means of your suffering.

My little ones, in this world in which you now live, the pain and sorrow of suffering is great. In this time of suffering, I call you to pay specific attention to My mother's most sorrowful and Immaculate Heart. This heart is wounded with all sorts of sin, and I seek people to make reparation against the sins committed against her Immaculate Heart. *(He's holding out Mary's Immaculate Heart and there's a crown of thorns around it.)*

This is not just a symbol of her heart, My children, but it is a fact. Every time her little children suffer in this world, her heart also breaks and bleeds. *(It is bleeding. I can see drops of blood coming from the wound of her heart.)* Will you not be willing to embrace sacrifices in order to heal your mother's heart? To tell you in truth, when you heal My mothers' heart, you will heal My wounded, sorrowful, Sacred Heart, and God the Father's Sacred Heart will touch your hearts and clean you and pour out upon you the Spirit of The Living God, but you must be willing to make reparations against the sins that are coming against her Immaculate Heart.

I come with a warning for all of humanity and for you. Sorrow is sorrow. Some sorrow and suffering cannot change, but sorrow and hurt feelings will only go so far in terms of your being healed or not. The rest is up to you and whether you are willing to embrace the true relationship with Me and repair the offenses committed against My mother's Immaculate Heart. It is your choice. I call you to do this, to help Me save souls.*(He's looking down at everyone. He says,)*

Do you not know that the reason why My mother is appearing in many places in the world is to save you from the great chastisements which are coming to you? Her suffering heart suffers so that you may be redeemed. This is a fact of your present time, whether you wish to acknowledge this or not.

Help My mother! Help My mother! Help My mother! Make reparation! Make reparation! Make reparation! I truly and solemnly tell you, when you make reparation, you will find peace. →
I bless you now with the sign of your redemption, which is My Most Holy Cross, in the name of the Father, and of the Son, and of the Holy Spirit. Amen.

I bless everyone here and also everything that is on the altar, by the altar, and near the altar also. Now I shall return to My Father who has sent Me to be here to give you this special message of reparation and

the love and sorrow of My mother's Immaculate Heart. *(He's being enveloped in the light . He's gone, but there's a cross of light. And it's there. And it's fading. It's gone)*
(Chris later mentioned that Jesus came under the title of Our Lord Of Light.)
