

Message from YOUR JESUS OF MERCY
To THE WORLD

June 13, 2004 through Chris Courtis, a visionary in Maryland, U.S.A.

(He says,) I am your Jesus of Mercy.

My dear ones,

I come today to echo a message of mercy for the world. My message is this one: I gave to you at the foot of the Cross a woman filled with grace who has become your mother. She is My beloved mother who I gave to you, to all of you. You pray for mercy and you ask for mercy, I point you to her. She is the Mother of Mercy. She is the one who comes to Me on your behalfs asking for graces, blessings, love, and pity. You owe much to your heavenly mother, My dear children, and her intercessions.

I wish to draw you close to your mother's mercy and to her wounded, sorrowful, immaculate heart. It is her heart which is most in sync with mine and which is most merciful. Her mercy is a mother's mercy. No other creature have I or My Father created with such pity or such grace or such love for you, for all of you. I beg you to hear your mother's messages and to respond and live them to the best of your ability.

You do not understand, but she is preparing the way for My mercy to unfold. You are to come to her to receive My mercy. I wish to draw you to her because it is through her that you will make reparation and heal My wounded, sorrowful, sacred heart. On the feast of My Sacred Heart, I wish you to understand that you have pierced Me. Your sins have hurt Me, but understand this, little children, it is the sins that you do not know that you have committed that hurt Me even worse. Let me explain.

There are many people who are good who do sin without knowing about it because they are being manipulated by outside forces, either by Satan directly or indirectly by individuals. Do not surrender yourselves, but repent and come to My Most Sacred Heart. This is a time of mercy and I wish the world to be drawn to My Most Sacred Heart, because My Sacred Heart is so perfectly in love with humanity and is so united to My Most Eucharistic Heart.

You cannot separate My Sacred Heart from My Eucharistic Heart for they are one in the same. If the world will not be pressed to My Sacred, Eucharistic Heart, then I will have no choice, but by My merciful love to save you by means of chastisements. I do not wish to punish anyone, but you are forcing my hand if you do not repent and believe.

I love you all so much. I wish you to examine yourselves and the sins that you have committed against Me. When I say Me, I mean you're hurting Me. You are hurting My sacred, sorrowful heart. I love you so much and I would gladly die again for each and every one of you, but it is not necessary. What is necessary is for you to believe and to receive the graces of repentance and to love Me with all your mind, with all your heart, with all your soul, and with all your strength. If you do not have love or strength, call on Me. I will give you My strength in substitute for yours. Re-examine your lives, your actions and understand Me well, dear children. I'm calling you to My merciful, sorrowful, Sacred Heart, not just you, but for the whole world.

→

Come to My mother. It is through her that you will be cleansed and you will be made ready in preparation for My unbridled mercy. I love you, My children, and I bless you with the unveiling of My Sacred Heart. *(His hand is up in a blessing and yet it's sorta like he's pulling back something away from His chest. I don't know really what it... Oh, His Sacred Heart. I see His Sacred Heart! It's so beautiful! It's glowing! There's light! It's emerging from His heart! There's a crown of thorns on it*

and it is bleeding. There are flames, but the flames almost consume His heart. There's a small cross and the light is just enveloping the heart. It doesn't even look red anymore. It's just all glowing in white, golden light. He says,)

I bless you with the blessing of My Sacred Heart. Pray every day that your hearts may be converted and be meek and humble like Mine, in the name of the Father, and of the Son, and of the Holy Spirit. Please know that through this blessing of My Sacred Heart I have blessed everything here on the altar, by the altar and everything in this room, including you yourselves, I have blessed. Love Me and make reparation to Me for I love you all so much. Peace to you,
Ad Deum.
