

Message from YOUR JESUS OF MERCY
To THE WORLD

November 13, 2004 through Chris Courtis, a visionary in Maryland, U.S.A.

(He blesses us because of our faith, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. He says:)

My dear and beloved children of My Father's earth,

Today, I come out of my merciful love for you. I come that you may know that I exist, and as I exist, so shall you exist if you believe and surrender to My way. I call for detachment from this world, and I call you to surrender to the things of Heaven.

My little ones, My mercy is overflowing this night because of your belief in Me and because of My love for you. I give My heart and My love to you always, to each and every one of you even in your sufferings and your trials. Truly, little ones, you must know that you are loved by My Father and by Me. You must begin to believe in this love that I have for you and grow in this love and in your faith. I do not give you burdens or crosses to carry by yourself. I do not give suffering to you because I hate you or because I am a vindictive God. No, truly, I give these sufferings and these burdens and crosses to you only, and I'm stressing the word "only" (*He's holding one finger up, like a parent would do.*) only for you to grow closer to Me.

There are also sufferings that Satan gives to you. This is how he operates; I give you the grace of suffering, and then I heal you, and then he comes and gives you more. Before you know it, you don't know which suffering comes from Me or from him, and you become burdened and sorrowful. Tonight I give you a remedy - My love and the love of My mother. When the Heavens seem closed to you, then, my dear ones, in all due love and respect, turn to her. She is the Gate of Heaven, and she will open wide My merciful love. She herself is the Mother of Mercy, and she gives mercy because she loves Me and she loves all her children.

I call you to unite in prayer and renew your hearts in My merciful love by prayer, penance, sacrifices, and by knowing that you are loved by Me, and that when the Heavens seem closed, you are to go to her, always. No one loves you the way I do and no one loves and cares for you the way a mother does. This night I give her to you and to this world as a remedy for all the evil and sins, and when your heart is troubled, I will be there. Through her I will come to you. It is through My mother I came into the world, and it is through My mother I will come into the world, again.

I also wish for you with all your hearts to know that if you want to receive the gift of the Holy Spirit and a true belief in My True Presence in the Blessed Sacrament, you must go to her, for she is not only the mother of Me, the Word Incarnate, she is the mother of My flesh. Did you not hear what the prophet says and what it says in the Bible? When God created Adam and Eve, and when Adam said unto his wife, "Woman, behold this is flesh of my flesh and bone of my bone. Therefore, she shall be called woman because she was taken out of man," and henceforth, Me and My mother are one. She bore Me immaculately in her heart, and then I came into being through her "yes" in the Holy Spirit. The Holy Spirit overshadowed her; therefore you must go to her to receive the Holy Spirit and you must go to her to receive belief in My True Presence in the Holy Sacrifice of the Mass and in adoration of the Holy Eucharist because I am flesh of her flesh, blood of her blood, and body of her body and bone of her bone. We are one heart.

I love you, my dear ones, and I call you to love one another and to be merciful as I am merciful by loving each other and My mother with all your heart, with all your mind, with all your soul, and with all your strength. Through My mother's graces, she will lead you to me and you will be saved. I bless you

this night and I thank you all for your response to My call which is serving My mercy and My love.
(He's blessing us, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.)

(When Our Lord came today, He was dressed all in white and what I remember most are his eyes and the features of His face and hair because He was so happy and there were tears in His eyes which made His eyes look bigger than normal, but He was happy.)
