

Message from YOUR JESUS OF MERCY

To THE WORLD

September 13, 2004 through Chris Courtis, a visionary in Maryland, U.S.A.

My dear and beloved children of My Father's earth,

I come today to invite you back to My merciful heart. My little ones, I wish to draw you closer to the flame of my heart that is forever consuming me. I love you all so very much that I have not only died for you but have given to you treasures within the Blessed Sacrament and the unveiling of My Sacred Heart.

I call you to be attentive and to surrender yourself to Me. My little ones, My merciful love should be everything for you. I call you to love Me and to let Me be merciful to you. Will you not open your heart to Me, My little ones? Will you not let Me live in you? Will you not let Me clean you and make you new? You cannot stay where you are. You must choose either to follow Me or to go your own way. Remember what I have said, "In the end many shall come to Me and say, 'Lord, Lord 'and I shall say unto them, 'I have never known you.' And they shall say, 'But we have cast out demons in your name and have worked great miracles,' and I will again confess unto them, 'I do not know you. Away from Me, you workers of iniquity!'"

My little ones, no matter how good you can be, no matter how hard you try to love, you will never, never reach the Kingdom of God without My help, without My merciful love. I ask you again this night, 'Will you not let me love you?' Open your heart to Me, go to Confession, receive the Sacrament of Reconciliation, and see what a great gift I have given to you, to be reconciled with My Father and with Me.

I love each and every one of God's creation, of My creation, but I wait and I yearn for My loved ones to return love, honor, respect and dignity to Me. So many of My little ones have gone astray. So many of My little ones continue to deny My mercy. So many of My little ones desire to be lost because they are afraid of the healing that I shall give them through My merciful love and through the ever consuming love that burns within My heart. Humanity must return to Me through love, dignity, and respect for Me! If you give Me your love, I promise you My love will be given to you a hundredfold, and in times of suffering and in difficulty, you will know I am with you, and My love will wash over you and you will be consumed in My merciful love.

Everything has a price. As I suffered for you, so too are you to suffer because I love you and need your help in winning souls to My heart. How much, my little ones, are you willing to sacrifice for Me? My dear ones, do I ask so much of you simply to adore Me in the Blessed Sacrament, to love Me and show some manner of respect and dignity to your Lord and Savior?

I ask you to pray and to fast. You do not have to fast every day. If you cannot fast on Wednesdays and Fridays, then at least try to fast just one day a week. I do not ask for so much of you, but I ask of you your heart, your hopes, your dreams, so that I can sift through the disorder and give you peace and love.

Tonight I ask you and call you to open your heart to Me and to love Me without reservation, even if you are suffering. Learn to forgive yourself. Do not question why I ask you to suffer or why you have the pain you do. Just simply accept it and let Me heal you. Do not fight the Holy Spirit or Me. The more you continue to fight, the more you will suffer emotionally. Because I love you, the door is open now, My dear ones. I call you to pass through it. I extend My hands over you and I will pray for you to My Father. *(He's blessing us. His hands are outstretched over us. He says,)*

Now I shall bless you and as I shall depart, I shall return to My Father who has sent Me to be here with

you in an ever special way. Please make the Sign of the Cross and I shall bless you and I shall depart, in the name of the Father and of the Son, and of the Holy Spirit. Amen.

I am your Jesus of Mercy. The door is open wide. Come unto Me, My little ones, and be filled with My love, mercy, and peace. Truly these are the virtues that shall defeat Satan.

(Toward the end, when He was going to leave, He had tears in His eyes because of how much He loves us.)
