

Message from OUR LADY, MOTHER OF MERCY

To THE WORLD

July 13, 2004 through Chris Courtis, a visionary in Maryland, U.S.A.

My dear little children,

Do you know why I do not appear and give my message until the end of the Rosary? It is, dear children, to keep you in prayer. Always, little children, pray, pray, pray! This is one of the most important messages that I have given you and I prefer you to be in prayer. Simply pray and listen to the message that I shall give you. Thank you.

I am Our Lady, Mother of Mercy.

My dear little children, praised be Jesus!

My dear children, I come today from Heaven to implore your help. Satan has become even more powerful and is attacking me directly. Although this new age should be the Era of the Eucharistic Reign, it is also the era in which I, your mother, am being attacked the most. Satan wishes to expel me completely from this earth and from the memory of my children.

My dear children, I am here. I am your most merciful mother wishing to console you and to bring you peace by bringing you to my Son Jesus. However, as your Mother of Mercy, I must be your mother of mercy and give you this message on mercy now while there is still time.

Dear children, pray, pray, pray! Satan wishes to overcome me, even though in the end he will not. I must give you this message that Satan is directly attacking me. He uses these means: those who do not clearly understand the teachings of the Holy Catholic Church and those who do not truly understand the Bible. He uses these peoples and individuals to spread lies. Remember always the doctrine of the Catholic Church and the teaching of the Bible that I am "blessed among all women."

Also, little children, be on your guard. I know how wonderful your prayer life is. Do not become distracted by anything else. Continue to pray. Do not listen to those who think you are wrong, especially the historians of the Church. There are many people and individuals who look for signs and artifacts, individuals who believe that through a simple clay pottery they can tell you everything about an individual. This does not tell you about me, your mother. Beware of historians and those who believe they know me and don't, for they are wrong. I am the ever virgin Mary and I come to lead you to Jesus. Do not listen to historical evidence for most of it is contrary to my Church and to the teachings it wishes to give you. (*She's crying.*)

The biggest problem, my dear little ones, comes from people who say they are good and are not. They call themselves Catholics, by name only, and will not pray a Rosary and will not spend time with me, your mother. This is a great sorrow over my Immaculate Heart. I implore all people to conversion and prayer now while there is yet still time.

My dear little ones, please help me convert the world through your prayers and sacrifices. Pray for those who do not understand, for those who abuse me, and for those who call themselves Catholics but only by name. Offer a Rosary for them, a kindly word. Tell them that I am waiting to be their Mother of Mercy. Time is running out, little ones, for Satan's attacks are becoming more prevalent even now.

The biggest victory that Satan wishes to show you is New Age. Little children, whether you know this or not, there are those who consider me important and valuable only to themselves. They hinder God's truth by presenting me as the mother of lies. I am not God. I am not Mother God. I am simply the Mother of God, and in all of my humility do I wish you to be united to Him in the Eucharist. Please,

dear children, do not be fooled by New Age beliefs and by other new beliefs about me which are contrary to the Church's teachings. Please, dear children, think of me as your mother and pray for their conversion.

But I wish to warn you that there are also those (*Chris is distressed and unable to continue for a moment.*) There are those who lie about my appearances. My apparitions to the world are slowly coming to an end. This is why, dear children, I beg you to continue to pray and seek me and not visionaries or new messages or apparition sites. What you have is enough for you now. There are those who say they see me and do not. Then there are those who think they are seeing me but are being manipulated by evil forces.

Pray, pray, pray! I need to give you this message so that you may know of the many forms that Satan has been using to manipulate you and the many ways he wishes to deceive you and conquer me, your mother. I need you to know that the only way to be victorious over him is through love and mercy and through prayer and fasting. You need to know this and live this message. This is the only way that you will be able to help me conquer him. In the end though, my Immaculate Heart will triumph and those who are rich in the love and mercy of God will march triumphantly into an Era of Peace prepared since the world has begun.

I love you, dear children, and I call you to pray and to seek Jesus first. It is He who I point the way to. He is my Son. He is your Savior and your brother and I am your most merciful mother. Please, love one another. Have mercy on everyone. Forgive each other and you will be forgiven. Pray and fast and you will have true peace, and you will begin on your journey to holiness and realize that nothing is important but me and my Son.

I bless you, my dear little children, and I take your petitions into my most loving and Immaculate Heart and I will present them to the Child Jesus who is good and loves you very much. As I make the Sign of the Cross, I shall bless you and everything you have with you. Everything that is on the altar, by the altar and everything in this room I will bless, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.

Now as I make the Sign of the Cross again, I shall depart. I shall depart, my dear ones, but I will always be with you as a loving, merciful mother whenever you pray, in the name of the Father, and of the Son, and of the Holy Spirit.

Thank you for having responded to my call. Go, my dear little ones, in the great peace, love, and mercy of God Most High. Ad Deum.

(Today when Our Lady came, she came dressed in a black veil and a dark dress and she was very sorrowful. The Baby Jesus was with her, under the black veil. She had twelve blue stars surrounding her, but usually she's just bursting in white light and even her gown is usually very white, but the light was just dimming in the background, just sorta lightly around her. I've seen her as Our Lady of Sorrows and I thought that would be what she would appear under, but she appeared under the title of Our Lady, Mother of Mercy. Then when I prayed with her, her dress, which was dark, became grayish and I could see that the veil on her head was a very dark, dark blue. Towards the end when she was ready to depart, her veil became all blue and everything was all white, and the light around her was just unbelievable, and the Baby Jesus was also dressed in white. Before she departed, she smiled. It was not a little, forced smile. She smiled! She smiled at each and every one of us here, but you have to understand that her smile is also another way to lead us to her Son.)
