

Message from VIRGIN OF THE POOR

To THE WORLD

July 24, 2004 through Chris Curtis, a visionary in Maryland, U.S.A.

I am the Lady, Virgin of the Poor.

My dear little children, praised be Jesus!

My dear children, today I come among you as the Virgin of the Poor to remind you of my appearances in Banneux (Belgium) in 1933. I came to invite all people to love, respect and help the poor. I came in the beginning of one of the darkest hours of human history, the beginning of World War II. Today, little children, I come to deliver the same message that I gave in 1933 in Banneux. I am the Virgin of the Poor. Believe in me, and I will believe in you. Pray for peace, little children, and help one another to love and serve one another in God's peace.

There is at this time a threat of a new Third World War. I come again to implore you for peace, and I invite again all nations to reconcile with my Son Jesus for He is the true King of Peace and the only one who can bring peace to the hearts of humankind. I love you, dear children, and I do not wish to see you trodden on a road of suffering and pain, or in the end you will be met with death, suffering and Satan himself. Although this is the time my Immaculate Heart is beginning to reign along with the Eucharistic Reign of my Son, Satan is very much active and has not been bound by the chains of St. Michael.

The future events will occur soon; however, be aware that Satan is not cast out from this earth and more violence and disasters are waiting. I am sorry, little children, for having to tell you this from my Immaculate Heart, but I love you, dear children, and want you to understand of the danger that you are now faced with.

Two dangers now exist within the human race. 1) your own will, and 2) Satan who is imposing his will on you. Little children, you are living in a world where human freedom and your human souls are at stake. Remember also, little children, that human freedom and the freedom to be with God lies always within your grasp through prayer, peace and reconciliation with my Son.

It is imperative that children of all nations of this world continue to pray and work together and be reconciled in the love and mercy of my Son NOW. *(There was a period of silence and our Blessed Mother looked very sad. She then said,)*

There is no more time, little children. You cannot continue to violate God's laws and continue to believe that you will remain safe. God's mercy is just, and He loves you. He will bring you back at any and all costs. My message for you is the same message as in 1933. To all nations, I say, come little children and bathe in the love and mercy of my Son. If you refuse the love and mercy of my Son, you will be faced with a new Third World War.

Please pray, little children and amend your ways. Believe in me, little ones, and I will believe in you. I will take your petitions and your prayers to my Son and He will grant them, but in return, you must exhibit faith and believe that I am the Virgin of the Poor and I come here to help everyone, not only a select few. →

Believe, little children! Believe, little children! Believe, little children, with all your faith. Believe, have hope, and surrender yourself to me. I love you, little children, and I bless you, in the name of the Father, and of the Son, and of the Holy Spirit. I take your petitions into my Most Loving and Immaculate Heart and I will present them to the throne of the Prince of Peace and King of Peace, my Son Jesus. Also on this day I bless all the nations of the world and I again ask for peace and reconciliation for every individual who reads and listens to this message.

Please reconcile yourselves with one another and with God. I bless you again, in the name of the Father, and of the Son, and of the Holy Spirit. As I depart, I shall leave you again with the Sign of the Cross. I shall bless everything that is here with you and everyone who has joined me in prayer this day. *(She's blessing us again, in the name of the Father, and of the Son, and of the Holy Spirit. She says,)*

All of those who have desired to pray with me on this day have received my blessing of motherly peace. I love you, dear children, and I thank you for having responded to my call. Go in the great peace, love, and mercy of God Most High. Ad Deum.

*(Before she blessed us again, Our Lady said to me privately,)* My dear little one, please tell every one that I shall appear next month on August 24<sup>th</sup> under the title of Our Loving Mother in relating to the apparitions at Conyers, Georgia, (U.S.A.) I would like all people to read these messages\* that I have already given in this area and to begin to live them. Please pray and live the messages that I have already given to you. *(And she blessed us again, in the name of the Father and of the Son, and of the Holy Spirit and she said,)* Go in the peace of God.
