

Message from OUR LADY, MOTHER OF MERCY  
To THE WORLD

June 13, 2004 through Chris Courtis, a visionary in Maryland, U.S.A.

First, I wish every one to understand I bless every body here and all the children here, I bless them, and I wish for everyone to understand that my message today is rather long. I am Our Lady, Mother of Mercy.

My dear little children, praised be Jesus!

Little ones, I invite you and call you to mercy, to the mercy of God which is given through me. I am Our Lady, Mother of Mercy. I was given at the foot of My Son's Cross to be your mother in every sense of the word. I know, dear children, that I am not biologically your mother, but you mean more to me than anything in this world. You are my children and I have sacrificed my Son so that you may be free from sin and live with Him and me in Paradise forever.

I am with you always, right beside you, caring for you and your every need. You may not see me, but know that I am there. I love you all so much. I hold you close in my heart. My Immaculate Heart is being consumed with the fire of love that I have for you. I see no differences, dear children, between you and Jesus. You are both my children. Jesus is my Son and He is immaculate and you are my children even though you are in sin. I make no distinctions between race or religions because you are all my children. There is one salvation act alone that saved the world and it was through Jesus' Cross that He redeemed you, and in that Cross He gave you to me and me to you. I say this to you because it is through the act of the Cross that I became your Mother of Mercy, and it is through this act that I am your Mother of Mercy. A mother loves her children and will gladly lay down her life in order to see to their well-being. So too, do I come now to warn you, to protect you, and to love you, and save you from the disastrous consequences that are approaching because of your sins and the lack of human consciousness to awaken to the True Presence of Jesus in the Most Holy Eucharist.

If you can believe and accept that I am truly and deeply your mother, then know that my Immaculate Heart will triumph. It is this heart, the sorrowful and motherly heart that will triumph. My Immaculate Heart is with you and wants to save you. In the end my Immaculate Heart will triumph. I said this in Fatima in 1917, but you have not understood. You see, dear children, God has consecrated the salvation of this new millennium and the world to my Immaculate Heart. Now do you understand, dear children? It is by the means of my Immaculate Heart that it will be saved.

The reason why I focus upon this point is because it was first through my Immaculate Heart that Jesus came into being. My Immaculate Heart loved Jesus and yearned for the salvation of humanity so much so that I yearned to bear the Savior and because of my prayers and my heart seeking favor with God that He was able to come through me and overshadow me and dwell within me.

Know this, dear children, the reason why my Immaculate Heart will triumph is because of Jesus. Jesus is with me always! When you look upon my Immaculate Heart, know that there is a Cross mounted there. It is through the sacrificial act that I became your Mother of Mercy and that my Immaculate Heart will triumph. It is by Jesus through His Cross that is placed in my Immaculate Heart that will save the world.

I also wish for you to understand and know, little ones, not only am I your Mother of Mercy, but I am also the missing link to the Holy Spirit. It was through the Holy Spirit that I conceived Jesus. The Holy Spirit is my spouse. You cannot achieve the Holy Spirit without me, your mother. The reason the Holy Spirit settled upon me was not only because of my love and my Immaculate Heart but it was because of my humility and my willingness to embrace God in all my nothingness. This is how the Holy Spirit was

able to come upon me and overshadow me and this is how the Holy Spirit will come upon you and overshadow you, through humility and through your willingness to embrace God in all your nothingness and to depend upon Him.

Once you achieve the Holy Spirit, you cannot be separated from God ever, for the Holy Spirit will dwell within you and make His dwelling among men. For this reason do I call you to my merciful, loving, sorrowful, motherly heart, and I wish and desire that a painting of me as your Mother of Mercy be painted, but I wish this inscription to be placed at the bottom. "Oh Mary, Our Lady, Mother of Mercy, with hope we call on thee." It is only through hope of salvation and my great mercy that you will receive salvation and peace. I point the way to Jesus and I wish you to understand also that I am the missing link to God's mercy, too.

Little children, this mystery may be difficult for many people to comprehend, but you will understand and comprehend this mystery when you focus upon my words and the fact that I am His mother and yours. Little children, if I have all the children in the world and have my Son in Heaven, how can I be satisfied when only one child of mine is in Heaven, which is Jesus. Would not a mother desire all her children to be in Heaven? Therefore, I come to invite you to salvation through Jesus.

I am the missing link because I plead for God's mercy and because I obtain God's mercy and because I love God's mercy. I sacrificed myself and bore the sorrow of the redemption at Calvary in my heart. I bore in my heart the sorrows of all mothers and of all children who are unloved. As Jesus hung on the Cross, my sorrow was deeply moved by the suffering of this present world. It is through this act that I come to you in love and I wish you to understand that when you call upon me as your Mother of Mercy, your prayers are answered and God grants to you and the world mercy, pardon, and peace.

But above all, you must love me, dear children. You must treat me with respect and dignity because I am your mother. And this is also a great sorrow on my heart when people treat me as though I were a dead mother and did not exist or that I do not hear their prayers. My Immaculate Heart is wounded because of the ignorance of God's people. I am your Mother of Mercy!

You wish to console me, dear children, and I wish to be consoled. This is how you should console me, by simply saying, "My mother, I love you," and by accepting the fact that I am your true mother. No matter what happens in your life or what lies ahead for you, I will always be there for you. My Immaculate Heart will triumph because of the Holy Spirit, because I am the missing link, because Jesus is there, and because of God's great mercy coming through me. →

How can I not be anything else but a vessel of mercy? You call me Our Lady, Mediatrix of All Graces, a channel of God's graces. If I am truly that, how can I not be a channel of God's unfathomable divine mercy upon humanity? Do you not see, it is His mercy coming through the low places that He is giving you now? I came to Medjugorje, to Emmitsburg, to Fatima, to Lourdes, to the Rue du Bac, to many more places and I am still here now, calling you to God's mercy.

I am with you and I am praying for you to understand and accept this message. I am a channel of God's mercy because I trust in Him. He is calling you to do the same and to place your trust in me, your mother. I bless you, my dear children, in the name of the Father, and of the Son, and of the Holy Spirit. Please know that I bless everything that is here on the altar, by the altar, and everything in this room including you yourselves, I am blessing, have blessed, and will bless again, in the name of the Father and of the Son and of the Holy Spirit, Amen.

Now I take your petitions into my heart and I shall present them to the Sacred Heart of Jesus. Above all, dear children, thank God that I am your loving, merciful mother and that I am patient. I bless you again, in the name of the Father, and of the Son, and of the Holy Spirit, as it was in the beginning, is

now, and ever shall be, world without end, Amen. Thank you for responding to my call. Go in the great peace of God Most High, Ad Deum.
