

Message from MARY, MOTHER AND QUEEN OF THE DIVINE WILL
To THE WORLD

March 13, 2004 through Chris Courtis, a visionary in Maryland, U.S.A.

My dear little children, praised be Jesus!

My dear children, I thank you for coming and for being with me in such a large number. I call you day after day, my dear little ones, to prayer. Pray, pray, pray!

My little ones, Satan is very active. Never has it been harder for you, my children, to resist the evil one than in your current time. It has never been easy to be a Christian, but now it is becoming even harder. During the first century A.D. when the Gospel was being preached, the saints and martyrs had nothing to fear but the loss of their bodies. Now, in this decade, you have much to fear by losing your soul.

My little ones, Satan is walking the earth. He wishes to turn you away from God. Be aware of the lies and deceit all around you and pray for God's true peace. My little ones, you're not aware that every day and every moment you live is a struggle between good and evil. I call you always to Jesus, and I call you always to take refuge within my most loving, Immaculate Heart. The way to enter into this refuge is only, and I am stressing the word "only", through prayer. You must be willing to pray. You must be willing to be forgiving people. You must be willing to sacrifice your life for Jesus as He has done for you.

You ask me, my little ones, when the deception shall be stopped. I tell you in truth, little children, the deceptions of Satan will be stopped through prayer, humility, child-likeness, and sacrifices, and penance. It is by these means that you will defeat the evil one and gain your victory over him.

My little children, I call you to listen seriously to my words for God has sent me from Heaven to give you a blessing and a warning. The blessing is that those who hear my words will be converted and pray with their hearts. The warning is, if you do not return to God soon, you will suffer and suffer and suffer. But make no mistake, my little ones, the suffering that you will endure will be man made. It will be through your own decisions, through your own faults. That is why I call you now, as my Son does, to great humility in love.

Please, little children, time has run out! My heart yearns for all God's children to be free and to live in Heaven with me. Therefore, again, I call you to sacrifice yourselves for Jesus, surrender to what He wishes and pray, pray, pray. I tell you also in truth, very soon, thanks to your prayers and mine, Satan's deceptions will be stopped and everyone will have a chance to see the truth. But I will say that it is still up to you to respond to the truth, or to continue the way you are living. It is your choice. I come only to ask you to pray and to return to God. I always point the way to Jesus. Always He is first.

The reason why my messages are so serious is because no one wishes to hear. I am praying for you, little ones, and I intercede for you unceasingly before God. But He says to me, to tell you, humble yourselves in love. Practice humility in love, and you will find the road to Heaven, and through prayer, shall enter into the safe refuge of my Immaculate Heart. I bless, you my little → ones, in the name of the Father and of the Son and of the Holy Spirit. Amen. I take your petitions into my most Immaculate Heart, and I will present them to God, our Almighty Father and to the throne of my Son Jesus. It is His blessing and His graces that you receive through me.

Know also that I bless you and everything that's in this room, everything that's on the altar, by the altar, and everything you have with you, I am blessing again with the Sign of the Cross, which is your salvation in Christ, in the name of the Father, and of the Son, and of the Holy Spirit. Amen. Now I shall depart. I shall depart, but I will always be with you all in an ever special way. Continue to pray and live

the messages I am giving to you. I love you! I love you! I love you, all of you! Thank you for having responded to my call. Go in the great peace of God.
