

Message from MARY, MOTHER AND QUEEN OF THE DIVINE WILL  
To THE WORLD

May 24, 2004 through Chris Courtis, a visionary in Maryland, U.S.A.

My dear little children, praised be Jesus!

My dear children, I call you today to listen to my words from Heaven and to understand that even though this is a time of great joy and blessing, this is also a time when Satan wishes to test you. This is the time when Satan wishes to distract you from the True Presence of Jesus. I bring you hope and the understanding that Satan will soon be cast out of the earth for good, but until that time, little children, I call you to conversion and peace through prayer.

Little children, I am with you now as I have always been and always will be. You have but to pray and ask for my help and intercession and I am there. However, Satan wishes to block you and the way that leads to my Immaculate Heart. He wishes to confuse you with thoughts of anger, hatred, and sadness. Make no mistake about this, little ones, even though you are living in a great age, you will all suffer great sadness because Satan wishes to give you this in order for you to be confused. Overcome Satan through prayer and the great belief that you have in Jesus in his Most Holy True Presence.

My little ones, I cannot state enough how I much I want you to draw closer to the Eucharistic Jesus. I point the way to Him, but the only way to Him, little ones, is through prayer, surrendering, and loving Him with all your hearts. I call you to love one another and to love Jesus by showing respect to one another and to me, your mother. I am here for each and every one of you.

If you have a devotion to me, know and understand, you will be led to Jesus. I can do nothing else but lead you to my Son and encourage you to believe in Him. I want you to know that I point the way to Him because He is the one who gives you salvation and life everlasting. It is He who paid the price for your sins and who dwells within each sacred Host. I point the way to Him because He is life everlasting.

Yes, little ones, come to me and I will lead you to Jesus. At first, all you will see is me, your mother, and then along the way you will notice Jesus, and then you will be drawn again back to my Immaculate Heart and then, once you are properly prepared, I will take you all the way to my Son. Then you will come to realize that Jesus and I are the same in heart and that when you speak and pray to me, it is in the same way you should speak and pray to Jesus for He is the same. My heart is His heart. His heart is my heart. He is my child and He is your savior and He is present with you. Know also, dear ones, wherever I am, He is with me. He was formed inside my heart and in my womb, and when the time came for me to give Him to you, I did. He still exists and comes with me every time I am present.

Know this, little children, this is not the end of an era but a beginning of a new one, a new one in which I wish to lead you to Jesus. But I call you to be aware that Satan is not cast out of the earth yet, and he will cause harm to you. Therefore, seek refuge in my Immaculate Heart through prayer. The only way, little children, that I know how to protect you from the deceits and lies of Satan is through prayer. Through prayer, you will come to know the joy of God and you will feel His peace, and you will realize that God exists and that you are called to be with Him forever. Surrender yourselves completely to Jesus, little children, and live the many, many, messages that I have already given to you. When you have peace within you, then you know you are doing the holy Will of God.

I love you, my dear little children, and I am Our Lady, Mary, Mother and Queen of the Divine Will, and I call you to be closer to Jesus in the Blessed Sacrament so that you may know and live and do His Will. Thank you, my dear little children, for all that you have done for me, and today I bless you with the Sign of the Cross, which is the sign of your peace and strength and salvation, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.

Also know, my dear little ones, I take your petitions into my heart and I will present them to the Child Jesus. And please also know I bless you again and everything that is here, everything that is on the altar, by the altar, near the altar, everything in this room including you yourselves and all that you have with you, I am blessing, and have blessed, and will bless again, in the name of the Father and of the Son, and of the Holy Spirit, Amen. Thank you for having responded to my call. Go, my dear little children, in the great peace, love, and mercy of God Most High.  
Ad Deum.

*(Today when Our Lady appeared, she appeared with a crown of light and the light was white and it looked like a crown, but it's sort of luminous and it just goes off in many directions. She was dressed in a long white veil with a gold lace around it, all the way to the bottom. She was dressed in a white dress. Her face was very pretty. I could see her hair down to her shoulders but the way the veil covered, came like this, so it cut off a little bit of her hair so I could only see a little bit of it. Her face was round and just beautiful, beautiful piercing blue eyes. She wore a long, white dress with a gold sash, like Our Lady of Lourdes' sash but instead of it being blue, it was gold. There was embroidery at the end of her veil. Down at the bottom where her feet met, were golden roses, embroidered, like fabric on her dress and veil. I could see her foot and I could only make out one foot, and there was a gold rose on that foot and she was on a cloud of white, gold light and she was just emanating rays of light everywhere.*

*She said that on the 24<sup>th</sup> of each month she shall begin appearing under different titles. Next month Our Lady shall appear under the title of Our Lady of Akita, Japan. Then I had a vision of what will happen. What I will see is a statue of Our Lady of Akita weeping, and I will hear her voice. That's the way she appeared in Akita.*

*The first thing Our Lady said to me privately was this is a new era, a new time for everyone, not just for me, for everyone here. It's a new time to start over in God's love and mercy. Actually she blessed this little girl right here. She always blesses the children when there are children present, and she wanted me to let you all know that children are more than welcome. As a matter of fact, she loves little children, so if you have children or grandchildren, you can bring them. She blesses them. She reminded me that children are very special and that she said that I should be praying for all children throughout the world because they really need prayers, not just the aborted little fetuses because we do pray for them, but we should be praying for children who are born, that they grow up in grace and respect for themselves and for others and we really should be praying for them, so she recommended something that I heard of a long time ago about spiritually adopting babies that are in the womb. Our Lady said there's nothing wrong with praying and adopting one spiritually and praying for that child that's alive right now. So I encourage others to do that too. Please pray for children. There is so much suffering that is going on throughout the whole world. All children are gifts and graces and blessings from God, and we need to be praying for the living ones that are in the womb and for the ones that are on this planet right now.*
