

Message from YOUR MOTHER OF MERCY

To THE WORLD

November 13, 2004 through Chris Curtis, a visionary in Maryland, U.S.A.

My dear children,

I wish you to know that in my arms I hold the Child Jesus and that I am your Mother of Mercy.

I come, little children, so that you may know my wishes. I wish that every 13<sup>th</sup> of the month that this painting of me as Mary, Our Lady, Mother of Mercy be brought. I also desire that, when it is completely finished, it be brought to your spiritual director and blessed. Through this painting I will give great graces.

I also desire with all my heart to give you a very special message next month. On December 13<sup>th</sup> I will give you two messages. Next month I will reveal to you the Chaplet of Mary, Our Lady, Mother of Mercy. I am telling you this in advance so that you may know what is to come next month, for next month I shall again appear with my Child Jesus in my arms and with a great message from Heaven on mercy. And now, my child, I will give to you and to the world my message.

My dear little children, praised be Jesus!

My dear children, today I come among you to call you back to God. I love you, little children, and I desire you to be with me forever in Heaven. You are asked by God the Father and by the most merciful heart of my Son Jesus to choose either the way of the world, which will lead your soul to destruction, or to God. This choice is being asked of you now.

There are too many distractions that are hindering your personal and private prayer life. You must surrender yourselves completely to God and live in His graces and abound in His love. You can do this through the power of the Most Holy Eucharist and through daily recitation of the Rosary. Little children, I call your hearts to peace, but you cannot be at peace if you are so easily distracted by the ways of the world. And please do not misunderstand me, dear little ones, I speak of every single one of you. Even though you may think you are good and that you are separate from the world, you are still easily manipulated and fooled by the ways of the world – television, newspapers, even the news, movies, books, magazines. These are the ways of the world, little children, and they will not benefit your soul by any means unless they contain spiritual matter within it, and by that I mean spiritual material.

Little children, you must renounce the way of the world and turn your hearts more frequently to God. He has blessed you in this country again with another four years of grace. Though there may be tumultuous events, it is still an era of grace and peace. Dear little ones, listen and understand me well. My little ones, this is the reign of my Immaculate Heart that will lead to the triumph of my Immaculate Heart. The reign and the triumph, little children, are two different things. It is like this: I am the Queen of the Universe and I am seated on a throne. I am queen, therefore I reign as queen; therefore the reign of my Immaculate Heart is here, but the triumph will happen when Satan is cast out from the earth. Then will begin the Era of Peace. *(I saw a castle in the Middle East and I saw a queen seated on a throne and I knew in my heart that it was the Blessed Virgin, even though I could not see her face. Then I was transported outside, floating above this great wall of the castle. Then I saw people marching up and down in protest. Then I saw a brilliant light that swept across the whole country and the world and I saw the woman in the castle, the queen standing beside the window and smiling. I came to the conclusion though Our Lady that this vision has to do with the Triumph of her Immaculate Heart. I saw the Blessed Mother reigning as queen, and war was breaking out everywhere between good and evil. I realized that the two events that will lead to the triumph of her Immaculate Heart are: 1) the Illuminada, and 2) the new springtime of the Roman Catholic Church. These 2 events will flow side by side and will lead to the triumph of her Immaculate Heart and the Era of Peace.)*

Listen to me, little ones. I am the queen and I am engaged in a war against Satan. The reign of my Immaculate Heart, even though it is reigning now, will be completed with the complete casting out of Satan from the world. That is my triumph. Do you understand, little children, that my reign is now and my triumph shall come when Satan is defeated? This is the message I wish for your little hearts to ponder, that my triumph is soon to come because I am announcing it.

I also wish to announce publicly that next month, December 24<sup>th</sup>, I will appear and give to you all, in a public message, the date of my last apparition to you.

I wish you to also know now that on this great day, the reason why I bring the Child Jesus is to announce to you that on May 25<sup>th</sup> of next year shall be the feast day of my title of Mary, Our Lady, Mother of Mercy. I desire it to be celebrated then and the Chaplet to be prayed and my image venerated. Through this blessing I will obtain great graces for you.

I love you, little children, and I desire you to know that the reason why I appear surrounded with a blue mantle is because it is a symbol of peace, tranquility, and above all, humility in great love. This is how I wish you to act in everything, to be surrounded in humble love for your brothers and sisters. Pray, pray, pray, and I am able to help you.

I love you, my dear little children, and with my Son Jesus in my arms I take your petitions into my heart and He will bless them and grace you with the answers you desire and need. I also bless you with my Son and every thing that is here, on the altar, by the altar, near the altar and everything in this room, including yourselves, I am blessing with my Son, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Now as I shall make the Sign of the Cross again, I shall depart, my little ones. I shall depart, yet I will remain with you always when, and especially when, you pray. So please, persevere in prayer and know that I am with you. *(She's making the Sign of the Cross again, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.)*

Tonight I seclude your hearts in mine and I consecrate them to my Immaculate Heart. You are protected, dear little ones. Please rejoice!

I give you my blessing and so does My Son under the title of Mary, Our Lady, Mother of Mercy, in the name of the Father, and of the Son, and of the Holy Spirit. Thank you for your response to my call. Go, my dear little angels, in the great peace, love, and mercy of God Most High. Ad Deum
