

Message from YOUR MOTHER OF MERCY

To THE WORLD

September 13, 2004 through Chris Courtis, a visionary in Maryland, U.S.A.

My dear little children, praised be Jesus!

My dear children, I am your Mother of Mercy, and as your Mother of Mercy I wish to call you to peace. Little children, you cannot say that you are mine and that you belong to me if you do not have peace within you.

I call you, little children, to pray and fast. For your own peace, pray the Rosary daily and fast if you can on Wednesdays and Fridays on bread and water. You see, dear children, this will keep your body pure, and it will connect your body with your spirit which is sometimes lacking. I love you, dear children, but without the peace of God, you cannot say that you are mine and that you belong to Me. You must not only pray for peace, but you must keep this peace with you throughout your day and throughout your entire life.

Little children, do not let Satan take away your peace. He will tell you that you do not need peace, that it is right to be angry and that you are justified in your thoughts. No, little children, do not believe this. You must have peace! Peace, peace, peace! I implore you for peace! The only way to keep Satan at bay and to keep him from disturbing your peace is through the power of prayer, especially, my little ones, the Rosary. Through the Rosary you will obtain victory over every attack of Satan and you will obtain your peace. Little children, not only pray for peace for yourselves, but peace for your families, your friends, this nation, and this world.

My dear little children, you do not know how the world is suffering or how the world yearns for peace, the peace that only God can give it. The world and its people are crying out for peace and they seek ways through political diplomacy to obtain peace, but they forget that peace can only come from God. Little children, pray for peace! Pray for peace! Pray for peace! Pray for peace! If the world does not return to God soon and receive the peace that only He can give it, there will be a third world war, and the nations of the earth will be burned with fire.

My little children, pray for peace. I am your Mother of Mercy and I intercede before God for each one of you and for this nation and the world. Pray to me, for I am your Mother of Mercy who will intercede for you and obtain victory through my Son Jesus' peace. I do not wish for you to waste your time praying for things that you do not need. The most important, my little children, is your conversion and having peace. If the people do not want peace, then they will never have this peace. That is why I urge you to pray for it. Ask God the Father, who is love and mercy itself too, to send the nations and world His Holy Spirit to inspire them to pray for peace and to keep it.

But, my little children, I wish you also to understand, you will never be free from temptations, and at times you will lose your peace, but Satan can never be victorious over me or over your Rosaries. Let your heart rest in my ark, the ark of my Immaculate Heart which will sustain all nations and give to us peace, but only upon asking and praying for it. I stress the word "only", because there is no other way you can obtain it without prayer and surrender. I love you, dear children, and I take your petitions into my Most Loving and Immaculate Heart, and as your Mother of Mercy I will intercede to the throne of God and to my beloved Son Jesus who is all loving and all peaceful. Seek Him and you will find Him.

I bless you, my little children, in the name of the Father, and of the Son, and of the Holy Spirit. Amen. Now as I make the Sign of the Cross again, my dear little ones, I shall depart. I shall depart, but yet I shall always be with you when, and especially when, you pray, and as I make the Sign of the Cross again, I shall bless you and everything that you have with you and everything that is on the altar, near

the altar, under the altar, and everything in this room I am blessing and will bless again, in the name of the Father, and of the Son, and of the Holy Spirit. Amen.

Thank you, my dear little ones, for responding to this most urgent call for peace. Now go, my dear little angels, in the great peace, love, and mercy of God Most High. Ad Deum.
