

Message from MARY, MOTHER AND QUEEN OF THE DIVINE WILL
To THE WORLD

January 13, 2004 through Chris Curtis, a visionary in Maryland, U.S.A.

My dear little children,

Praised be Jesus! My dear children, I ask you for your hearts. Please, open your hearts to me and receive the graces that God wishes to give each and every one of you. Pray, pray, pray and be open to the Holy Spirit and Its guidance. He loves you and He is with you. The Holy Spirit is real. He is the Third Person of the Holy Trinity and issues forth from the Father and the Son to come unto you so that you may be filled with wisdom and peace. If you will not open your hearts up to me, you will not receive the Holy Spirit or His wisdom, which He wishes to give to each one of you now. Just pay attention and listen to my words.

My heavenly mission is to bring you to my Son. Always, He is first. However, in this era in which you live, there are many false prophets and many who speak ill of my Son. Satan is very active in this present age, trying to discourage you in your faith. He mixes lies with the truth and many of my children, sadly, are becoming victims. I implore you to pray for conversion and for peace. I implore you for more fasting and prayer. I am warning you, little children, as a mother, if you will not protect yourselves against Satan, he will deceive you, for Satan watches and waits for each and every one of you. For most people, they are most vulnerable when they are sad and feeling hopeless. This is the perfect time for Satan to influence you. You must pray and make more sacrifices.

I call you to protect yourself against heresy through the power of the Rosary. There is no other weapon on earth like the Rosary, except for Holy Mass. But when you are alone or in your homes, you can recite the Rosary. Wherever you are, you carry with you the power of prayer. The Rosary and its prayers will protect you against heresy and the deceits of Satan.

How, my little children, will it protect you? By the prayers – The Apostles Creed confesses what you truly believe in. The Our Father, who is your Father in Heaven, and me, the Mother of God who bore within herself Jesus, your Savior and your God. And the Gloria Patre, or The Glory Be to the Father and to the Son and to the Holy Spirit to which you owe and give praise to. These are the most powerful of prayers. They will protect you from heresy and the deceitful practices of Satan.

When you have time, go before Jesus in the presence of the Eucharist. Pray the Rosary there, too, especially the Luminous Mysteries. The mysteries of the Rosary themselves also protect you from heresy. These are the mysteries of the life of Christ and me, your mother. Jesus is truly alive in the presence of the Eucharist. That is why the fifth Luminous Mystery is adoration. Please, dear children, say the Rosary with lively hearts and with faith of love and you will be united to Jesus, no matter how difficult the journey is or where you are. Use your time wisely, spending time praying the Rosary.

I have also said that these prayers of the Rosary are another rose that I present at my Son's feet, for every Rosary which is said is another rose that I give to my Son and in return He bestows through me the graces. I am the source of all graces. →

I am your loving mother and I implore you, if you wish to convert other people through your actions, simply say the Rosary. The Rosary is your weapon against Satan. It will protect you from hypocrisies and lies, and it will also give you the opportunity to convert more fully to God's ways. Conversion, my little children, through means of prayer, especially the Rosary and surrendering to Jesus is the only way.

I offer you this time as a grace to get to know me, your mother, more through the power of the Rosary. Conversion starts with a simple act of faith, the Sign of the Cross, and extends through prayer and is

given to you by God. Nothing is impossible when you pray the Rosary and believe in my intercession. I am your loving mother, the Mother of the Rosary.

I bless you with the Sign of the Cross, which is the sign of your redemption and peace, in the name of the Father, and of the Son, and of the Holy Spirit. Again, make the Sign of the Cross slowly and reverently so that you may know that Jesus is always with you. Abundant graces and blessings are given to you always through the Sign of the Cross and the Rosary.

Now, I take your petitions into my most immaculate, sorrowful heart and I will present them to my most holy and beloved Son. As I make the Sign of the Cross again, know that I carry your petitions in my heart and that I bless you and everything that is here in this room, everything on the altar, by the altar and near the altar I am blessing with the Sign of the Cross, in the name of the Father, and of the Son, and of the Holy Spirit.

Please make the Sign of the Cross again after I depart as a sign of reverence and love towards God. I love you all, my dear little ones. Thank you for having responded to my call. Go, my dear little ones, in the great peace and mercy of God Most High.

(Our Lady told me privately that she wants us to say the Fatima Sacrifice Prayer after every Rosary, as a sacrifice.) “O, my Jesus, this sacrifice I make is for love of Thee, for the conversion of sinners, and in reparation for the sins committed against the Immaculate Heart of Mary.”)
