

Message from JESUS, LORD AND LOVER OF THE DIVINE WILL
To THE WORLD

April 13, 2005 through Chris Curtis, a visionary in Maryland, U.S.A.

I bless you in the name of the Father, and of the Son, and of the Holy Spirit. I bless all of you who are here. All of you are children of God, and I give you My blessing upon each and everyone of you. I am your Lord Jesus, I am Lord and Lover of the Divine Will, and I come because I love you all so much, and I desire your hearts. Please, give it to Me in prayer.

My dear and beloved children of My Father's earth,
I come to ask you to live in Our Holy and Divine Will by surrendering your will, your life, to Mine. Surrender your very self to Me and live as I lived. I call you to surrender to My graces and to live, live, live, in My Divine and Holy Will. You do this by giving up your will freely and taking upon you the heavy cross and burden of My Will. Become a part of My life by taking up your cross and following after Me.

I've given to you many lessons and many teachings on the Divine Will, but one thing I desire to make clear this very day is the desire that you be united to Me, not separate. Any division that may result now or in the future is not from Me. Division will only lead to more divisions, that is why I ask for your hearts and to be attentive in this matter. Seek me through the Blessed Sacrament because My Will is there. Seek Me in the Mass because My Will is there. Any questions about what you should do with your life, pray to Me and believe firmly, for I will send the Holy Spirit upon you to guide you and to direct your thoughts to tell you what you should do.

My dear ones, the most important lesson is trust. Trust, put your complete trust in Me, and do not give up. The Divine and Most Holy Will of God is given to you so that you may live in it, not out of it or separately. It must become a living part of you. The only way for My Will to become a living part of you is for Me to become a living part of you. Open your hearts. Ask Me to come into your life. Ask Me to come into your heart and to purify you and to refine you. Simply open your heart to Me and I shall come, and I shall change your life, and your will shall become Mine.

But you must understand that there are many divisions that may be resulting because of the Divine Will. The only thing I wish to say on this matter is, try to receive the lessons, and the teachings, and the messages in the same way you have received all that I have given you, and there is still yet still more to be received through your own devotion, through your own life, and through you seeking the Divine Will through Holy Scripture. Yes, My Will is also recorded in the gospel. Learn more about it. "I have come to do the Will of My Father who has sent Me." That was My only purpose, and today I ask you to do the Will of your Father who has sent Me. Little ones, understand Me well. You will not enter into the Kingdom of Heaven, except he who does the Will of My Father. This is clearly pointed out to you in the gospels which I have given you.

However, there are so few people who live My Will, who do My Will, and who accept My Will. You must accept My Will, do My Will, and live My Will, not yours. I repeat this to you, not yours. Your ways are not God's ways. My way is to lead you to conversion and to peace.

Remember also, My dear ones, that you are called, but you must answer that call and take up the cross and follow after Me. Your life must be a living example of Me. Then you will live in My Divine Will. Pray to the Holy Spirit to enlighten you as to what you should do and how you should act. Please, you must pay more attention to the Holy Spirit if He is to guide you and direct you in living in the Divine Will. The only thing I wish to say is, become a living part of Me through the Mass and through your daily prayer life and your sacrifices, and you shall be brought into My Most Holy and Divine Will.

I love you, and I bless you, in the name of the Father, and of the Son, and of the Holy Spirit. As I make the Sign of the Cross again, I shall depart. I will depart yet I will remain always with you and in your hearts, when you pray. Thank you, My little ones, and bless you.
