

Message from YOUR JESUS OF MERCY

To THE WORLD

January 13, 2005 through Chris Curtis, a visionary in Maryland, U.S.A.

My dear and beloved children of My Father's earth,

Today I come as Your Jesus Of Mercy to invite you back to My Most Sacred and Merciful Heart. In order to draw you back to Me, and to Me alone, I am asking you to search for Me. Yes, My little ones, I'm inviting you again to search for Me as you did in the beginning. I desire that you search for Me. Search for Me in Sacred Scripture. Search for Me in the Mass. Search for Me in devotion to the Most Holy Eucharist. Search for Me in devotion to My Most Sacred Heart. Search for Me in devotion to the Infant of Prague. Search for Me in My Divine Mercy. Search for Me on My Cross. Search for Me in the Rosary. Search for Me in your hearts.

My little ones, it is very important that even though you know Me, you continue to know Me even more and draw closer to Me even more than you have ever before in your life. In order to draw you closer to My heart and to know Me even more, you must begin the search by simple faith and prayer. Pray with your heart. It is those who truly seek Me with their heart who know Me. This world, they do not know Me. The world seeks after material goods and thinks that if it has riches, it will be happy.

I exist, My little ones, hidden in the poor, the lonely, and the humble. There you shall find Me. And if you are humble and small, I shall dwell in you. I dwell hidden in the Eucharist, and there you shall find Me. It is important that you seek for Me as you did when you first sought Me so. My little ones, it is the journey of trying to find Me with your heart that is ever joyous to Me.

Do you remember what you were like when you first looked for Me? You sought Me and I came to you and you wanted to know Me and wanted to live a life of prayer and joy. Today I invite you in that joy to look for Me. Do you not remember what you were like when you first sought Me? You were small, humble, filled with joy and enthusiasm for Me. Your heart longed for Me and Me alone. Search diligently for Me! If you search with your whole heart, you shall find Me. And it is those who search for Me diligently and with hearts of prayer that shall find Me.

You must seek Me. I want to give you the virtues that you had in the beginning – joy, excitement, love, and wisdom; but you must seek Me in order to find these gifts. Seek Me anew, My little ones, in your heart. It is there that I dwell. Talk to Me, simply, honestly, for I am here and I am wherever you are. I am with you. Do not abandon My words, but live them. Seek Me and you shall find Me. Knock and the door shall be opened unto you. It is the constant journey of seeking Me that rejuvenates your hearts. This is what I desire this month and what I call you to do.

I also come with a message of mercy, and My message of mercy is very simple. As I love and forgive you, you are called to love and forgive others. But mostly, you are called to forgive yourselves. Holding on to the past or grudges will do you no good in this life or in the next. If you wish to receive true peace and receive the gift of mercy and love, you must open your heart and be willing to let go and to forgive yourself. Forgive your frailties. You are only human. Look at Me, I was human, yet divine, but yet fully human. I suffer the way you suffer. I am real, and I lived for you and still live for you. Will you not have mercy on yourself? →

I tell you, My dear ones, if you cannot show mercy on yourself, how do you ever expect to show mercy on anyone else. You must first love with all your heart and be open to My forgiveness and to forgive yourself. I love you and I don't want your hearts to be filled with sorrow because even though I cry and mourn for this world, I am not always crying, and I am not always mourning, especially when people

give up their lives to Me and sacrifice themselves for Me. You give Me joy if you would just forgive yourself and open yourselves to My gifts. This is My message of mercy, and to tell you that I exist within My mother and that it is she who will lead you to Me.

I bless you, My little ones, and I wish you more than ever to ponder My words deep within your heart. You all have guilt. Forgive yourselves and let go, for My merciful love conquers all and it is through My merciful love that I wish you to conquer all. I love you all, My dear ones, and I bless you tonight with My merciful love from My Most Sacred Heart. *(He's blessing us, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.)*

Now go, my little ones, in My peace. This peace I give to you and this peace I leave you. Bask in this peace and take it with you. Now go in My peace. *(He's so beautiful! He's so loving, and He's smiling!)*
