

Message (1) from YOUR JESUS OF MERCY

To THE WORLD

July 13, 2005 through Chris Courtis, a visionary in Maryland, U.S.A.

My dear and beloved children of My Father's earth,

I am so sorry from the bottom of My heart to have to give you this message first. My dear ones, time has run out! The grief that I suffer over sin is enormous! I cannot, I will not, hold My hand of justice back any longer. The time has come. The time is now!

I am accelerating this time and My justice so that soon the "time out" can commence (Jesus, March 13, 2005). However, I wish to make clear, during the "time out" does not mean you will not have war. Men's hearts are set to evil, then so shall men do evil. What it does mean is that I will not strike the earth. I will leave it alone for the space of one year to repent and to return back to Me. It also means that Satan will have no influence during that time. However, his influence still exists today and most likely will continue to exist even when he is not permitted to do harm. The influence of the evil one penetrates deep into the heart of humanity, and even with this "time out", evil can still run its course.

I am giving you the "time out" from My justice and from Satan, but the time to repent and turn back to Me is now. What you are seeing and witnessing is just a prelude to what will come if men's hearts do not repent sincerely and return back to Me. The "time out" is just one year, and then the greatest of all chastisements shall come upon you. I am giving you this time as a grace to come back to My heart. I am giving you this time of grace for My mother because I have extended her visits. She is still appearing and will continue to appear until My Father and I no longer permit her. This grace is now, and it must be lived. Use this time wisely!

Suffering humanity needs to know that I still care and love them. That is why, I, out of My infinite love and mercy have given to you two tools: 1) My Divine Mercy Chaplet, and 2) the Mother of Mercy Chaplet. Use these tools and grow closer to My heart, and resist the evil one. You can do it! Know that no matter how hard life may become for you, or how sad or depressing it may be, you always have a life line to Me through prayer. Sometimes it seems hard and trying but it reaps the greatest rewards and fruit.

Pray, pray, pray! Pray the Rosary and the two chaplets, and talk to Me sincerely and honestly. Even if you don't feel like it, force yourself, because graces will abide and you will feel My peace, even in that time of difficulty. At first it will be hard, but as you continue to pray, I will bless you with that peace, and your cares and your worries will disappear. Give Me that chance, please! You need My peace, now more than ever, because I have given to you today a great warning from Heaven.

My mercy is unlimited. It is My duty as the savior of humanity to return you to God. If you force My hand, which the world is doing, then so I will let My hand fall, and fall it will. Remember My words, and ponder them deep in your heart, and live them. And now I shall give my message of mercy. (*See next message*)
