

Message from MARY, MOTHER AND QUEEN OF THE DIVINE WILL
To THE WORLD

April 1, 2005 in a private message to Chris Courtis, a visionary in Maryland, U.S.A.

[Background: On April 13, 2002 Our Lady privately gave Chris a message that contained visions and 3 secrets he was to write down but not reveal until Our Lady told him to do it. The first secret was to be revealed after it happened, the second one while it was happening, and the third one before it happened. The original message, minus the visions and secrets was read at the April 13, 2002 meeting. Then the message, including the first visions and secret, was reread on January 13, 2004. Now, April 1, 2005, Our Lady repeats the message, including the second set of visions and secret. Always she stresses the need to begin our conversion now, pray, sacrifice and do penance to show God you love Him and for the conversions of sinners.]

April 13, 2002 – the original message

My dear little children, praise be Jesus! My dear children, time has run out! I wish to tell the world to live my messages. Too many of my little ones are looking for signs and wonders. They seek visionaries instead of living my messages. This is a great grace, little ones. Now is the time to begin on your conversion. Pray, sacrifice and do penance. My dear children, I love you all very much and on this, the second anniversary of my appearances here, I ask you to pray the Rosary everyday, to do sacrifices to show God you love Him, and to do penance for the conversion of sinners. Those who live my messages and love God will go to Heaven. Those who don't (*and I can't reveal that part*).

January 13, 2004 – first secret revealed

(and that was it, and then I saw this vision. I saw Hell, fire, people, or souls, crying, cursing God. The flame of this fire burned their souls and some of them began to sink deeper into the fires of Hell until they came out looking like a demon.

Then I saw Purgatory. The people there were in a lonely state. They could see the light of Heaven coming from God, but they could not get to it. I was told by Our Lady.)

Pray every day for the poor souls in Purgatory so that with your prayers and sacrifices, they may reach God.

(Then I saw Heaven. I saw the Heavens opened to those in Purgatory. As I went into Heaven, I saw angels dressed in white. I saw people who looked like angels. I saw God the Father seated on a throne. Everything was surrounded by the light of God's love. There's no sadness or pain, just joy in the presence of God forever.

Then I saw Hell again, and I saw lights falling into Hell and I did not know at the time what they were. Our Lady then said to me sadly.)

These souls fall like raindrops into Hell. These are the souls of men falling into Hell at the present moment. (*Then she turned and said,*)

There will be a great war and it shall take place in a far away country in desert area. There will be many people who die. The number shall be very high; however, the casualties of soldiers will not be because of the war or front line battle. Rather, it will be because of terrorist activities. This shall happen for a span of one year, then decrease. Then after it decreases for a specific time, it will then increase again to even larger numbers, but in the midst of this, it will stop and God will grant favor, victory and a seal of protection upon the soldiers and they will return home after

reconstruction is done in this land.

April 13, 2002 – original message

*(Then I saw Our Lady all in white and she was glowing. Then she said,) My message that I wish to make clear is that CONVERSION TAKES TIME. People must pray more and do works of charity for those who need your help. I will always be with each child of God, but God's children need to live my messages. That is why I am here, to help you, to lead you back to God and to holiness, but that will only come when the people of this world pray with all their hearts, stop offending God, and live the many messages that I already have been giving to you. Now, my little one, *(She's talking to me.)* Do you understand why God the Father is asking for devotion to His Most Sacred Heart? *(And I said, "yes."* Then I see a couple of visions that I can't reveal right now.)*

April 1, 2005 – second secret revealed

(Then I was on earth again and I saw an old man with a pope's hat on him. He was being carried on a big white board. Then they laid his body in a glass tomb so that people may come and pay their last respects. I understood that the dead man was Pope John Paul II. Then I saw a new pope who was of Italian descent being proclaimed pope. Then I saw a black cloud. Just then, the door to the Vatican swung open and the black cloud or smoke went into the Vatican. Then I saw Our Lady all in white and glowing. She said)

What you have just seen is the heresies in the Church. After the death of Pope John Paul II, there shall be great trials. Famine will come to the earth in places where famine has never been. AIDS will mutate to such a degree that no drugs or doctors will be able to stop it. Your nation will be divided even against itself, and then Satan, in his last attempt to show his power, will clone a human being. Then within a year after this time, shall peace be brought to Jerusalem, but beware, my dear ones, it is a false peace.

(Then I saw another vision. I saw people standing in front of a mirror with a divine light around them. I took this to be the Illuminada. Then I saw Mary, and she took the world and pressed it close to her Immaculate Heart. Rays of light fell on the earth and lit it up for some time. I came to understand that this has to do with the great miracles which are to take place after the Illuminada. Our Lady said,)

Peace for the span of three hours, or three years, will be given to mankind in order to see if they will return to God, or not. *(And then that was it. I can't reveal to you the last secret. All I can say is she continues,)*

April 13, 2002 – original message

Now, more than ever, it is necessary to do penance. My dear little children, penance, penance, penance leads to peace. I am the Queen of Peace. In the end, Medjugorje shall be instrumental in the peace for the world. God gives to you Medjugorje as a preview of what the Era of Peace shall be like. Live the messages of Medjugorje and know because of their "yes" in Medjugorje the peace of me, your mother, and God will always be there. Medjugorje will be a refuge and a place that will be untouched in the future. When the chastisements come, Medjugorje will be spared. *(Then she gives the last secret which I can't reveal until Our Lady tells me to.)*

I love you all and I bless you. I bless all that is on the altar, all that is by the altar, and everything in this room I am blessing with the Sign of the Cross, in the name of the Father, and of the Son, and of the Holy Spirit. Amen. Please note that I take your petitions into my heart and will present them to the Sacred Heart of God the Father. Please know that as I make the Sign of the Cross again, I shall depart, yet I will

be with you all in a very special way when you all pray. Thank you for responding to my call. Go, my dear little angels, in the peace of God. Ad Deum.
