

Message from MOTHER OF MERCY

To THE WORLD

January 13, 2005 through Chris Curtis, a visionary in Maryland, U.S.A.

My dear little children, praised be Jesus!

My dear children, I wish you to understand the reason why I am the Mother of Mercy. I have told you recently that in my life I have interceded as Mother of Mercy and I am still the Mother of Mercy.

Tonight I wish to tell you the reason why I am Mother of Mercy.

On May 25th, many years ago, many, many years ago, there were seven little children who approached Judas Iscariot and asked if they could have a blessing from Jesus. Judas turned them away saying that the Master was very tired and “has no time for you.” But I was there, present underneath the olive tree, and I came by and I said unto the children, “Do you wish to see the Master?” And they said, “yes!” “Come,” I said unto them, “for I am His mother and I shall show you and take you to the Master.” And sitting underneath an old olive tree was my Son and so I brought the seven children to Jesus, and it is there that He gave His solemn blessing to those who become little. This is my day, May 25th, when this event occurred. I interceded for the little children and Jesus blessed them with a great blessing.

It was also on this day that I met Mary Magdalene for the first time. And it was through Jesus, through Him that He gave me to her and I became a second mother, an advocate for her, this sinful woman who became grace-filled and saintly and filled with heavenly peace. Towards the end of her life, she was filled with holy zeal and love towards God. This is my mission and this is my purpose with you now, to ignite your hearts with fire for the Divine Love and for Jesus who is with you. The only way for this to happen is to surrender yourselves completely to me through the title of Mother of Mercy. These two events that happened on the same day should teach you all very simply that I interceded and take all children by the hand and lead them to Jesus.

I also wish you to understand that I, along with my Son, can convert any sinner if I so desire. but God only grants the gift of conversion to those who desire it, to those who want it, and to those who will humble themselves for it. Judas Iscariot did not humble himself before Our Lord, but Mary Magdalene did, and to me. She wanted to be like me in every way and she imitated me perfectly. I’m calling you tonight to imitate my virtues by looking for Jesus and by accepting me as your mother. I will teach you how to love Jesus if you only open your hearts. It was pride that made Judas fall and so will you if you will not humble yourselves before God. Be little, little children, and you shall inherit everything that God and I wish to give to you.

I love you all very much and I desire through these two stories that are actual events to lead you to Jesus and to guide you to conversion. Open your hearts, pray to the Holy Spirit to enlighten you and pray for the gift of an open heart from Jesus. He will open your hearts and fill you with grace, if only you would ask. Again, as my Son says, “Ask and you shall receive,” but you seek Jesus only when you are sick or are in danger or trouble. Seek Him always, in good times and bad times, and then you shall come to know the fullness of my joy.

I love you and I bless you all, along with my Son Jesus who is in my arms. We bless you in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Now as I shall make the Sign of the Cross again, I shall depart with my Son and I shall remain always with you when, and especially when, you pray with your hearts. As I depart, I shall bless everything that you have and everything that you have with you, and everything that’s on the altar, by the altar, under the altar and everything in this room, including you yourselves I am blessing along with my Child Jesus, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.

I also desire, before I leave, to tell you that it is through the title of Mother of Mercy that both the Orthodox Church and the Catholic Church shall be united as one, for both priests have blessed this painting and it carries with it the zeal from both of them. I love you and I thank you for having responded to my call. (*She's blessing us again, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.*) Now go, my dear little children, in the great peace, love, and mercy of God Most High. Ad Deum, and thank you.
