

Message from OUR MOTHER OF MERCY
To THE WORLD

June 13, 2005 through Chris Courtis, a visionary in Maryland, U.S.A.

(At the regular 13th of the month prayer meeting, Our Mother of Mercy appeared to Chris on a cloud which then dissipated and her feet touched the floor in the same spot where she stood on March 13th. Then as each person came forward individually, Our Lady prayed with them for whatever they requested, and then she prayed over them and blessed them. For the children and persons who knelt very close to the floor, Chris said Our Lady knelt down to pray with them. For those persons who stood, the cloud reappeared and she rose to the height necessary to extend her hands over them. When she had finished with everyone, Chris gave this description: "There's St. Joseph holding the Baby Jesus, or child and there's St. Anna. St. Joseph is coming forward. He kisses the hand of the Holy Mother and he gives to her the Child Jesus. Now he's going back to his regular position and Our Lady is blessing us in the name of the Fathers, and of the Son, and of the Holy Spirit, Amen. She says",)

Thank you for having responded to my call. Ad Deum

(Then Our Lady disappeared as she requested that the group pray one Our Father and ten Hail Marys. As the group finished the prayers, Our Mother of Mercy reappeared with the Baby Jesus in her arms and gave the following message.)

My dear little children, praised be Jesus!

My dear children, never forget the love I have for you by coming among you and praying with you and for you. My message of Mother of Mercy is to lead you into a deeper understanding of the mercy of God coming through me. Therefore, dear children, do I wish to invite you to the place where my mercy and my Son's mercy are the greatest - during Holy Mass and Eucharistic Adoration. Go before my Son Jesus and pray to Him and adore Him in the Most Blessed Sacrament. Every time you are present, dear children, I am there under the title of Mother of Mercy. Pray my chaplet there. Pray Jesus' Divine Mercy Chaplet there. Pray and ask me for my help and intercession. I will help you.

Oh, dear children, do not be sad if you are in sin or if you have failed by not keeping the commandments of God, for there, during adoration, not only do you receive special graces, but I pray and intercede to Jesus under the title of Mother of Mercy for all of you. If you desire my help and intercession under the title of Mother of Mercy, I am pointing you there. I am present there, dear children, during Adoration. Some have it for 24 hours. Can you imagine, dear children, that I am present 24 hours praying for you, interceding to my Son Jesus? Ask me to pray for you there, and I will.

Oh, His mercy is unlimited and there are so many graces and mercy that come through me. If only you would open your heart and receive them during Adoration. I'm saying this again to make it clear, I am there! I am there present every time the faithful are in adoration. My Merciful Heart looks upon you with great love and mercy. When you show Jesus in the Blessed Sacrament you love Him, you show me, your mother, that you love me also. Those who love me should love my Son. Those who love my Son also love me.

Also, dear children, today I wish to call and invite all those churches which have strayed far from God, back to my Merciful, Loving, Immaculate Heart. I call once again to the Orthodox Christian and to the Catholic Church to be united as one. The reason why they shall be one under my title is because I am the Mother of Mercy. I am the Mother of the Mystical Body of Christ, and also the Mother of the Church, the Mother of the Church united, not divided or separate. I do not pray for one particular person or sect of the Church. I do not care more about the Catholics than I do about the Orthodox. I pray for both of them with all my heart because I love and honor both their prayers. I call them to be united out of love and mercy for my Son. With great compassion, I call to those churches to unite under my mantle!

(She looks sad. She says.) It is a pain in my heart when people disrespect me, when they don't believe that I am the Mother of Mercy and that I do not have the power to unite the churches. Mercy is the great attribute of God's love and it flows through me because I bore the living Son of God, Jesus Christ who is your Savior and who lives in both Eucharists. He is there in both churches and so am I. Pray, pray, pray dear children, for the unification of both these churches for they are blessed by me and they are meant to be one united in mercy and love.

I bless you, dear children, and I thank you for all that you have done for me. Now you do not comprehend this grace or the message I am giving on the churches to unite, but soon there will come a time when you will, when the unification will be brought about by my Merciful, Immaculate Heart.

Venerate my Immaculate Heart under the title of Merciful because that is what it truly is, Sorrowful and Merciful, Immaculate Heart of me, your holy mother. I give you my mother's mercy and I give you my Son's mercy because He loves much. Those who love are just as blessed as I am to receive the mercy of God. Those who love little will receive very little, especially mercy, in this life. Therefore, love with all of your heart and strive to be apostles of my motherly mercy and Jesus' Divine Mercy.

I take your petitions into my heart and will present them to my Son. Now I shall depart and as I shall depart, I shall make the Sign of the Cross again. As I make the Sign of the Cross again, I shall bless everything that is here on the altar, by the altar, under the altar and everything in this room including you yourselves, I am blessing and have blessed and will bless again, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Thank you, my dear children, for your patience. Now as I make the Sign of the Cross again, I shall depart to Heaven, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.

Thank you, my dear little angels for having responded to my call of mercy and love. Now go in the great peace, love, and mercy of God Most High. I say mercy always. Ad Deum.
