

Message from OUR MOTHER OF MERCY

To THE WORLD

May 13, 2005 through Chris Courtis, a visionary in Maryland, U.S.A.

My dear little children, praised be Jesus!

My dear children, today I call you like never before to listen and to live your mother's messages on mercy. Dear little ones, God's desire is to shower His mercy upon you through me. I desire you to open up your heart and to receive the graces of love and mercy that God is giving to you. I desire you to pray in order to comprehend the graces that I am giving to you through the title of Mother of Mercy.

Little ones, I love you and I call you to God's mercy. I always point the way to my Son Jesus who is mercy, who is love. I am His mother, your mother also, the Mother of Mercy. Jesus' mercy comes also through me. I desire to soften the blow of the Almighty Father and to lead you to Jesus, but you must pray and live the messages I am giving to you. Every word that I have spoken to you for the past year should be lived.

I love you, little children, and I desire your conversion, but I cannot help you if you are not willing to see that the messages of the Mother of Mercy and the devotions go hand in hand. You cannot have devotion without living my messages. Without living mercy, then the devotion becomes fruitless. Therefore, dear children, obtain more fruit by living my messages of mercy and prayer.

I love you, my dear little ones, and I take your petitions into my heart. I will present them to my Son who is all love and mercy. Thank you all for responding to my call. Know that I bless everyone and everything that they have with them and everything that is near the altar, by the altar, under the altar, and so on. I love you and I bless you with the Sign of the Cross, in the name of the Father and of the Son and of the Holy Spirit, Amen. Now go, my dear little ones, in the great peace and love and mercy of God Most High. Ad Deum.

(Before she left, she also said something else. She said,) I also desire that on this Feast of Our Lady of Fatima for everyone to know that there were also messages of mercy in Fatima. The Peace Plan that I gave to you in Fatima was also done out of God's act of mercy for you. If you desire peace and mercy, I pray and ask you to continue to live the messages of Fatima which I gave in 1917. *(and then she blessed us again and departed.)*
