

Message from MOTHER OF MERCY  
To THE WORLD

November 13, 2005 through Chris Courits, a visionary in Maryland, U.S.A.

My dear little children, praised be Jesus!

My dear children, I love you so very much, and I call you closer to my Immaculate Heart. I am your Mother of Mercy. I am the mother of Jesus and your mother and I love you.

Oh, dear children, I've come with a very important message under the title of Mother of Mercy. The message is, I desire you to live simple, holy, lives. Oh, little children, humble yourselves before God, and He will give you the graces you need every day to continue your journey. Pray for the gift of humility, and practice humility in everything you do. Do not worry about the world. Do not concern yourselves about the things of the world, but concern yourselves with only those things which are of Heaven. Be simple, humble people. The ways of the world are corrupt and will not lead you to the path of Paradise. Humility, love, and simplicity will.

As Christmas draws near, I invite you to pray more. Pray, pray, pray and rekindle your relationship with Jesus and me, your Mother of Mercy. I desire to call you and draw you closer still to the Sacred Heart of Jesus from which the fountain of life and mercy exist. But you cannot if you will not be humble, and practice a simple life, pray a great deal, and do not dwell on your problems but let God, my Son, solve them.

You think too much on your problems, little children. You dwell too much, and at times your mind goes off in tangents, daydreaming, thinking the worst. No, dear children, remember what Jesus said. Why worry when you cannot add one more day to your life. How, by worrying, will it change the effects? God is the only one who can make your hair white. Do not worry. Oh, little children, you worry too much about this world, and I call you not to. Your problems are enough for you today. Do not dwell on your problems and think to yourself, "How will I get by for tomorrow?" for you have enough to contend with today. Jesus loves you, and He will give you the grace to carry your cross, and He will solve your problems. But in turn, you must trust Him. Believe firmly that the help you ask for and seek will be given to you. But again I stress, not in your time, but in His time.

Little children, when you are in most need at any time, know that Jesus never forsakes you or abandons you and neither do I. In the most difficult of times, I am with you. When life is too hard and it becomes burdened with pain, know that I am there, right beside you. But I seek your "yes" and your prayers. When times are at the most difficult, you must pray more, and you must surrender to God's will. I am with you even in the darkness, and I bring you the Light, which is Jesus. The Light is only lost to those who do not desire to see the Light, but for those who do desire to see the Light, everything, every problem, every suffering and pain, always works for the betterment of God and for your souls. Be patient and wait, for God will hear and help you. Pray and believe that I am with you.

Oh, little children, I know how difficult it is for you when you are suffering and in pain, to realize how close we are. This is something I desire to tell you also. In times of the greatest confusion, suffering, pain and sorrow, I am even more close to you than you realize. I am right there beside you. Pray and believe! Pray and believe! Pray and believe! Believing does not mean you will not have doubts. Faith takes care of doubts. Belief truly means that you have simple faith to know that I am real, and that my Son is real, and that we will help you.

Since these are my last apparitions with a public message on a regular basis, I desire you to know that these apparitions will never end, in a sense, for you will always be able to find me every time you are in adoration, or kneeling before the tabernacle of the Lord, or in Mass. My presence never leaves my Son

Jesus'. Wherever Jesus is, I am there, 24 hours a day. Whenever you need me, you will find me there. Simply open your heart and pray to me and I will help you. Ask for my prayers and intercessions, and I will pray and help you.

I also desire to tell you again, do not worry about the things of this earth because all things pass away in the next world. Dear children, you should concern yourselves with the state of your soul. If you are not living my messages or are not living the gospel and are not praying, you will not have an intimate relationship with my Son or me, and the road to Heaven becomes blocked because you will not surrender and pray. Oh, dear children, please listen. There are only three places that you go to when you die – hell, Purgatory, or Heaven. In Purgatory is a most dreadful suffering. Now is the time that you can be free from Purgatory by the choices that you make today. Pray a great deal, practice humility, lead a simple life, and do not dwell on your problems but let God solve them. These are the tools that will lead you to Heaven.

If you are afraid because of your sins, I point the way to my Son. He will forgive you your sins if you go to confession and receive the Sacrament of Reconciliation. Even in the last moment of death, if you receive the last rites, are forgiven of your sins, and receive the Blessed Sacrament, you can go straight to Heaven. Listen, you can go straight to Heaven if you do what is required of you.

I have given to you so much, and so much information today. I repeat the same message because I desire you to love one another and to lead a holy life. I love you, dear children, and as your Mother of Mercy, I take your petitions into my heart, and I will present them to my Son Jesus whom I lovingly hold in my arms. *(Her hand is out. Rays of light are streaming down to the floor.)* In December, on December 13<sup>th</sup>, I will again make my feet touch the ground for the last time.

I love you and I shall now bless you and everything you have with you, all that is on the altar, by the altar, under the altar, near the altar, and everything in this room including yourselves, I will bless with the Sign of the Cross, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. And I also desire to leave you with this grace. *(Jesus' hands are outstretched, so is one of Our Lady's hands.)* Bow your head for the blessings and graces that we will give by praying over you. *(a long period of silence)*

Now my Son Jesus and I shall make the Sign of the Cross together. As we make the Sign of the Cross together, we shall bless you, and I shall depart. I shall depart, dear children, but I shall always be with you, again when, and especially when, you pray, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Thank you for having responded to my call. Now go, my dear little angels, in the great peace, love, and mercy of God Most High. Ad Deum.
