

Message (1) from OUR LADY OF MERCY  
To THE WORLD

August 13, 2005 through Chris Curtis, a visionary in Maryland, U.S.A.

My dear children,

I call you again to draw closer to God, but in order to draw closer to God, I'm asking you, my little ones, to abandon sin. Please, with a mother's urgency, stop offending God! I love you, little children, and do not want to see you on the road of suffering, but I instead call you to draw closer to God through prayer. Little children, if you do not stop offending God, greater chastisements will befall you. There will be hurricanes, great tidal waves, earthquakes, floods, epidemics, sufferings of every kind which will befall you until you amend your ways. Your nation shall fall. Your nation shall fall due to pride. That is why I ask you continuously, over and over, to humble yourself before God. Blessed are the humble in heart to receive the mercy of God and to pray.

My little ones, if you do not repent, more, greater chastisements will come upon you. I ask you to amend your ways from your heart, but you are not listening! I have revealed to you that the future of your country shall suffer and that in the future, there shall be greater divisions. If the divisions grow farther and farther apart, then you shall fall, and fall you will. Little ones, I ask you to amend your ways, but you are not listening. I ask you and ask you to love God, but you continually do not want to listen, and more wars and violence are breaking out within your country and throughout the world.

Your country is fading fast, my little ones! When will you hear and listen to my most urgent plea? I ask you once again to uphold your constitution, but instead, many divisions are resulting within your constitution. Your very rights and freedoms are being taken away from you and you are not listening. Please, little children, your future depends upon your conversion and your return to God! If you return to God, God will bless your country with new and abundant graces, and you shall see the abundant fruits of God reaching throughout the land. You shall be a nation that preserves the peace and gives it to others. If not, your nation shall be divided, and all your riches shall be wasted and come to naught.

Little children, I love you, but if you will not even uphold your own constitution and your values, then so shall you suffer. My little ones, how can you direct other people throughout the nations to uphold their own constitutions when you yourselves are breaking your own laws and constitution. Please, little children, amend your ways and return to God! With my mother's tears from my Immaculate Heart and from my own face, I call you to repent. Repent! Repent, little ones and amend your ways! Your future is conditional but only, and I am stressing the word "only", if you return to God.

Bless you, my little ones, bless you with the Sign of the Cross, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Please listen and return to God! Thank you for responding to my call.
