

Message (1) from OUR LADY OF FATIMA, OUR LADY OF THE ROSARY
To THE WORLD

August 24, 2005 through Chris Courtis, a visionary in Maryland, U.S.A.

(I see flashes of light. Now I see a cloud. It's hovering, and now it's moving down over the altar. It's descending, still descending. There it is, right there on the table. There's a ball of light and it's growing, and growing, still growing. I'll let you know when it finishes. It's there, a big spirit thing? I see a shape of a veiled woman and she has, she's coming out. It's the Blessed Mother! It is! It's Our Lady of Fatima, Our Lady of the Rosary! She is dressed in a long white veil. It goes all the way down to where her feet are, and there's gold trim alongside the veil, and down at the feet it thickens. It's a big gold trim at the edge of her veil. I can see only a little bit of her hair. The veil is thick. She has those big, blue eyes, an oval face. She's so beautiful! She has a long white dress and white sleeves, and there's like a gold belt that looks almost like string. And she has a gold censor that hangs from her neck like a necklace. And her hands are in prayer. She has a Rosary of mother of pearl beads, a gold chain, a gold Crucifix, and her dress comes down, and I can see gold trim at the end of her dress, and I can see her feet, but her feet come and go as the cloud moves back and forth. And there's a crown of twelve blue stars, and she just bursting in light!)

My dear children, next month I shall come under the title of Our Lady of Garabandal. This I am telling you in advance, and I shall return at the end of the Mother of Mercy Chaplet and give an inner locution. Next month I shall appear on the 24th also under the title of Mother of Mercy. I shall appear under that title next month and in October.

My dear children,

I come in the name of my Son Jesus and with a message for the world. In 1917, I appeared in a small Portuguese village known as Fatima. Today I come with the same message. My dear little children, you must stop offending God! My little children, in 1917, I said "Please stop offending God for He is already greatly offended!" At that time, there was World War I and there was, even worse, the practice of spiritualism which today has taken another even worse turn into the practice of New Age. Yes, all this began in the 1900's. That is why in 1917, I had to appear in order to tell you to stop offending God, because He was already so much offended.

Unfortunately, the world did not heed my warnings and the Second World War came to be. Today, He is not only much offended, but the cup of divine justice is not just filling up, but it is flowing over. God's hand shall strike, little children, and strike it will unless you amend your ways. I asked you to pray the Rosary every day, and most importantly, I asked you to pray for the conversion of sinners and to make sacrifices because so many people go to Hell because of the sins of the flesh and murders than for any other reasons, and I am sorry to say, but only a very few number have responded in making and doing sacrifices for the conversions of their brothers and sisters. For this reason does your world today face many, many difficulties and trials.

Today I call you to sacrifice your life for the conversion of sinners and to pray the Rosary every day. But also in Fatima I gave you an outline and a peace plan which you were to follow. "The peace plan is this: God has confided the peace of the world to the Immaculate Heart of Mary, and the 13th of each month is to be given to her in honor of the Immaculate Heart of Mary in order to obtain peace for the world." I repeated this message quite frequently throughout the 1940's, 70's, and even now.

The 13th of the month should be dedicated to my Immaculate Heart. Pray your Rosary for the conversion of sinners, and make Eucharistic Atonement for the sins inflicted on my Son in the Most Blessed Sacrament. Little children, He is offended with all sorts of sin which not only pierces His Most Sorrowful and Merciful Heart but also pierces my Most Sorrowful and Merciful Immaculate Heart. I ask

you if you desire to seek refuge and mercy, which is abundant in God, seek it through my Immaculate Heart. In my Immaculate Heart there is enough grace and mercy to not only purify you but raise you to the highest level of love towards God that ever existed. But you must humble yourselves and pray with all your heart and give yourselves to my Immaculate Heart completely and without questioning.

Little children, I also gave to you prophecies concerning your future. No doubt these prophecies will come to fulfillment even in this day and time. Little children, you ask and seek so much about the Fatima prophecies. You want to know what the interpretation is and what will happen in your future.

Little children, I tell you that your future is now. What you do now and how you live your life now will affect your future tomorrow. Therefore, little children, live in peace and humility. Pray the Rosary daily. Give time to devotions to my Immaculate Heart on the 13th of each month, and do not concern yourself with future events, for all things will come to pass according to God's time table and to His Most Holy Will.

Behold my Immaculate Heart! *(She's holding out her Immaculate Heart and there are thorns around it.)* Yes, this is my Immaculate Heart, and look at the thorns which pierce me! I ask you to amend your ways and return to God. Ask Him to forgive you your sins, and ask Jesus to be with you every time you receive the Holy Eucharist. Ask Him to dwell within you, not for an hour or two, but for all your life and throughout that day.

Oh, my little children, you can make this crown of thorns disappear by your prayers and sacrifices, and most of all by your love for my Son and for others. Look! *(The Crown of Thorns is disappearing!)* Only with prayer and sacrifices and love and conversions will these truly disappear. Until then, I await the world to return to my Son, and I await the world for their conversion. Convert now before any more disasters come upon you!

Oh little children, God loves you and He is merciful. Never forget the messages I gave to you in Fatima. Review them again and live them to the best of your ability. I am the Holy Mother of God, and I am Our Lady of the Rosary. Through the Rosary you will obtain every grace, blessing, and any petition that you may need when you pray from your heart and truly believe. All things are possible through God! I am only His mother who wishes to lead you to your salvation which exists within Jesus.

The Cross on your Rosaries, the Cross in particular is your salvation. The Rosary and the Rosary beads themselves are your oil for anointing. After you finish your Rosary you become holy, anointed children of my Immaculate Heart. I said before, and I will say again, the quickest way to approach my Immaculate Heart is through the Rosary. The Rosary is wrapped around my Immaculate Heart because it is the joyful, luminous, sorrowful, and glories mysteries of my life and of my Son. So pray every day and know I am always with you.

Now I shall bless you, and as I bless you I shall make the Sign of the Cross, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Now as I make the Sign of the Cross again, I shall depart. I shall depart, little children, but shall always be with you when, and especially when, you all pray.

And know, my dear little children, I thank you for listening to my words and take your petitions deep within my heart and I will present them to the throne of the Most Holy Trinity which is the Father, Son, and Holy Spirit. Know that as I make the Sign of the Cross again, not only shall I depart, but I shall bless you and everything you have with you, everything in this room and everything on the altar, by the altar, under the altar, near the altar, everything in this room and everything you have with you, again, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.

I love you all, my dear children, very much. Thank you for your response to my call. Go in the great peace of God. *(The light is there. She is being enveloped by light. It's like an aura, I guess. And there's the cloud. It's ascending, ascending, and it's shrinking. I can't see it anymore.)*
