

Message (1) from the MOTHER OF SORROWS

To THE WORLD

February 13, 2005 through Chris Courtis, a visionary in Maryland, U.S.A.

*(At the beginning of the apparition, Chris asked for holy water because he did not recognize the figure dressed in black and crying tears of blood that came through the light. Chris threw the holy water on the figure and she said, "I am the Blessed Virgin Mary. I am the Mother of Sorrows. I must come under this title to give to you this message." She says;)*

My dear children,

Please listen, for God, the Most Holy Trinity, has allowed me to be here with you. Little ones, time is of the essence for your conversion. My heart is greatly afflicted because of the numbers of sin in the world. There is no end to abortion, and my son, the pope, is suffering greatly, and now Satan has begun to use all his powers to thrust his own religion into the world. Truly he has given the New Age movement great powers. I have come to tell you that these are lying wonders he works, and that you are now living in the Age of Lying Wonders.

My heart grieves for you, little children, because many people do not want to hear my messages, and they do not live them. They read them but make no efforts to amend their ways. Truly, this hurts your mother. My dear children, please amend your ways and pray for those who are involved in witchcraft and the New Age movement. Little children, help my Immaculate Heart to triumph, for in the end, it will triumph. When I speak of the Age of Lying Wonders, be assured that I speak to you of the Book of Revelations and that this age is upon you.

Now you must live in perfection of your faith and pray and believe with all your heart. This is the age when many people will fall away for they will believe that Satan's power is greater. I talk of the New Age. Many people will become disheartened and will turn away. Truly the Church will accept compromises in an effort to bring many people back. However, this will fail.

My dear, dear children, you must humble yourselves before God. You must understand that the time remaining is short, and I've come only to lead you to my Son. I keep nothing for myself but I give it all to the glory of God. Little children, you must believe that God's power is strong and that He overcame Satan through the birth and crucifixion of your Lord. You must live in perfection of your faith. Blessed are those little children who believe, who pray, and do not surrender to temptations or the ways of Satan.

My little children, those who place their trust in me will be assured that I will be with them in this dark hour, but you must have faith. Little children, in this dark hour I will be with those who place their trust in me in an ever special way to lead you to Jesus. There is no other way to Jesus but through the Cross. There is no other way to live but through the teachings of the Church. There is no other devotion in the world greater than having devotion and loving me, for those who can love me with all their hearts, be assured, can love Jesus with all their hearts, even in times of difficulty and great pain and suffering.

Help me, dear children. Help me through your prayers and sacrifices. I wish to make this clear; in this new age I will not be with those who practice witchcraft, those who do abominable things and believe in the New Age. I will only be with those who are truly dedicated to Jesus and to my Immaculate Heart. I love you, but you must heed my warnings. The time is coming when one disaster after another will come upon you. You will not have time to recover before another one will strike. This is not Satan. This is God doing this. To purge evil, this must be done through His act of justice and mercy.

I bless you, little children. Do not give up. I need your prayers now, more than ever. Everything I have told you has come to pass. I told you that you will have great tribulations and sufferings. I told you that the stock market will start to decline and now, even your president is asking to take measures to stop the

deficit. I have told you all these things, but you have not listened. Pray, pray, pray! There is nothing more that I am able to say, but pray, little children, and believe firmly.

I bless you, in the name of the Father, and of the Son, and of the Holy Spirit. Please respond to my call. This is not just a one-time apparition. I've been appearing in many places throughout the world. Listen, little children, listen!

I will come at the end of the Glorious Mysteries with the Infant of Prague. Until then, Ad Deum.
