

Message (1) from OUR LADY, MOTHER OF MERCY

To THE WORLD

July 13, 2005 through Chris Courtis, a visionary in Maryland, U.S.A.

(She's there and she's with St. Joseph and he's holding the Child Jesus. She says she wants to speak privately to me now.....Later she says, "Now I will give my message. You may record this part. My dear little child, I shall give to you two messages. Part of one message, you may not speak to or reveal to anyone. The next part is O.K. to talk about. Now I shall give my first message. Be aware, in the middle part, I will speak to you alone.")

My dear children of America and the world,

I come today as Our Lady, Mother of Mercy to call you back to God's mercy and to my mercy, my Most Merciful Immaculate Heart; however the world has not responded, nor are they living my messages as they should. Therefore, dear children, great catastrophes shall come upon you, one after another. There will be great famines, droughts, hurricanes, earthquakes, tornados, and violence of all kinds from men shall come upon you, out of God's infinite mercy, an act of justice. The time has come. My desire is that people pray with all their hearts and return to God and to live the best they can in a state of prayer.

My dear little children, I am sorry to have to tell you this, but something very severe is about to happen. *(Now she's speaking to me alone.)*

My desire is to recall all men to repentance. Repent, repent, repent and amend your ways! Sin breeds sin. If you continue to live in sin, your souls will die, and not long after, so shall your body. There are great disasters that are about to come upon humanity. Now, for a year has been granted for a "time out" (www.movingheartfoundation.com/wd5-j-mar13.htm), now is the time that God shall accelerate His divine justice and shall purge men. If they do not repent after this "time out", God shall send the greatest chastisement upon you. The plague of cancer shall increase in every part of the world and even the AIDS epidemic will become more serious because it is on the verge of mutating.

My dear, children, you see the storms in Florida. You see the hurricanes developing. What does it take for you to listen and to amend your ways? I love you very much, and I do not want you to suffer any more than you have to. That is why, in the end, my Immaculate Heart will triumph, but if the bad, the sinful people will not listen or even consider my messages, then so shall the world suffer.

I am telling you now, a great event, greater than you've ever known, shall come upon this country and a great event shall also come to the Church, and this event is not a good event. It is not the Illuminada either. It is a very, very bad thing. I am telling you this now because it must be known to the public now, that the future is conditional. It depends on whether the people comply with my message and live the best they can in repentance and love toward my Son.

Respect the Holy Eucharist and be present for Mass as often as you can. Pray the Rosary from your heart, the Divine Mercy Chaplet, and the Mother of Mercy Chaplet. In this way, if you pray from your heart, I will be able to alleviate some of this grave event that is to come. After the period of "time out", shall come the greatest chastisement. It shall affect the Church, and then all humanity will be affected afterwards because of what will happen. Repent, repent, repent and amend your ways!

If you live in greed, then so shall you be greedy. If you live in poverty, love, and prayer, you shall obtain mercy, pardon and peace. Even the rich can obtain mercy from my Son, but they must realize that their money was given to them to help others, not to squander it the rest of their lives in selfish pursuit of worldly pleasures.

I call the world to repentance, but I can only do so much. Through your prayers, some, not all, chastisements can be eliminated. Some, not all, can also be lessened, and some will come about because of men's sins and greed. Pray, pray, pray! Pray, pray, pray! Pray, pray, pray! I have called the world to prayer, and no one is responding. They pray for hours but yet do not pray from their hearts. Please, dear children, pray from your hearts and return to God!

I love you, dear children, and I ask you to amend your ways. Think about your sins and how often you have offended the Father and my Son. Think about ways you can amend your ways and help others to return to repentance. Live pure and holy lives. Blessed are those who are chaste in heart and body as well, but first they must become chaste in heart, pure in heart and pure in body. I love you and I bless you, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Thank you for responding to my urgent call.
