

Message from OUR LADY OF ALL NATIONS

To THE WORLD

May 24, 2005 through Chris Courtis, a visionary in Maryland, U.S.A.

(She says she would like us all to pray one Our Father, Hail Mary, and Glory Be with her, slowly, for the intentions of all the nations of the world and for peace for all these nations. [The group prays.])

(Our Lady is here and I see a cross behind her coming up. She's dressed exactly like Our Lady of All Nations with the golden veil and the white dress and the long sleeves, and she has the golden sash and she's standing on a globe of the world. Her face is more beautiful and is better than the picture. Her hands are in prayer. She says,)

My dear little children, praised be Jesus!

My dear children, on this day I wish to talk to you about my apparitions and appearances in Holland in 1945. I desire you to know that I appeared under the title of Our Lady of All Nations for many reasons. The first of which – I desire the whole world to be united under my mantle. Today, in your time, I still desire this wish. I'm deeply troubled and saddened that my requests which I made in 1940, all the way through the fifties and so on, have not been met and have not come to pass.

I desire to be known under the title of Our Lady of All Nations and most importantly I desire to be the Co-redemptrix with Jesus. Little children, for this reason do I stand on top of the globe in front of the Cross with my hands outstretched. Look! *(I see graces falling from her hands and they are falling on the sheep around her. Our Lady says,)* Yes, this is not a new vision. This is the same, exact one that was given many years ago, but I desire to tell you that because of humanity's lack of understanding and because of their lack of love for the Eucharistic Jesus, every prophecy which I gave then which concerns dire consequences will come to pass. I do not wish to reveal this to you; however I wish to tell you that my requests are the same as then. I am Mary, Our Lady of All Nations who became your mother, Mediatrix of All Graces and Co-redemptrix with Jesus. Some people still are fighting this dogma within my Church. If they will not accept the information which I have already given, perhaps they will accept this one.

I am the Immaculate Conception! God is good and pure! How can God dwell in sin or with sinners? Remember how often throughout the whole history of Israel, in Judges, God departed when sin was introduced into the world. Therefore, he could not have come by ordinary means. He had to create a vessel which was pure and without sin. Hence, He created me. I am your mother, the Immaculate Conception, free from all sin. If the Church can accept this, they must realize that I born with only one purpose *(Her hand is up and she's pointing one finger upwards. She says,)* The one purpose was to be the mother, Mother of Jesus and Mother of the Church. How could this be when God does not dwell with sin? That is why I was born without sin, to give birth to God's Son, your redeemer, Our Lord Jesus Christ. It is through this act that I was also made Co-redemptrix with Jesus, for without me being conceived without sin, Jesus could never have come. Therefore, the plan of salvation for humanity would have been fruitless. That is why God created me. That is why I stood at the foot of the Cross. My Immaculate Conception is the key link to the mystery and dogma of me being Mediatrix of All Graces and Co-redemptrix with Jesus.

I desire for you, little children, to know that it was through me that Jesus came into being. Therefore, all the graces that God gives me, that Jesus gives me comes through me. I am a channel of God's graces because of Jesus who dwelt in me.

My heart was always in perfect sync with Jesus. It was there that Jesus took up His rest and there He desires to be there still. His heart and my heart are the same, united *(and now she's lifting up two*

fingers) 1) spiritually, and 2) physically because God was conceived within my womb. He was born of me, flesh of my flesh, bone of my bone. Therefore He is one as I am one. That is why I am also the Immaculate Mediatrix and Co-redemptrix with Jesus.

I desire that this dogma be now proclaimed in order to protect the Church from future disasters and destruction. Now is the time! You must plead for this dogma to be fulfilled. It is the last Marian dogma in history. Through this and its recognition, I will give the world peace. Remember what I have often said, the peace of the world is entrusted to Mary. It is the triumph of my Immaculate Heart.

I desire to unite all nations to myself, but I cannot unite them if they do not want to, or they do not want to accept me as their mother. That is why I call you to be instruments of joy, love, and peace. You must pray always for the country, the nations that have no peace and that are suffering from war, disease, power struggles. You must help me through your prayers. I call you to pray for these nations, and I have a message for each nation.

To all nations I give this message. It is time you pick up your cross. Your crosses are given to you out of the joy of my Son. You are to be crucified with Him. If you desire so to partake in His resurrection, you must be crucified.

To the Church, I say to them this: your crucifixion must also come. You are now in travail. You are now in a process of slow decline. A slow decline has happened and is still happening. The Church has this opportunity to be raised, even now, if they will only proclaim the dogma. I desire the Church to unite, but they cannot unite if they will not believe that I am the Mediatrix of All Graces and Co-redemptrix with Jesus.

Now is the opportunity, dear ones, to pull yourselves out of misery and for a new Pentecost to shine in the Church. Now, at this present time, seize this moment while it still exists. The Church of Rome has a new pope, a new pope who believes in me and in my Son. This must be done in order to protect the Church from further decay! I love you, dear children, and I desire to unite you in my mantle, but you must be humble.

Let this be my second message that I wish to deliver to each nation. Do not be fooled by Satan! He is offering you riches and false Gods. He is making you pompous and prideful. Nations of the earth, be humbled before our Lord and God and Creator, my Son! Seek the virtues from my Immaculate Heart to be little, to be humble. If you do not seek these virtues, they will not be given to you because God respects the free will of each individual. Humble yourselves before God! Humble yourselves before Jesus! Humble yourselves before the Holy Spirit! Allow Him to come! This is the major problem which is happening now. You will not humble yourselves before the Holy Spirit! How can the Holy Spirit enter into hearts that are not humble? I was humble. That is why the Holy Spirit was allowed to descend upon me and the power of God to overshadow me. Nations of the earth, humble yourselves before the Cross, before God your Creator, and the Holy Spirit, and then I say to you, the Holy Spirit will truly descend upon you and enrich this nation and the world.

I love you, dear children, and I take your petitions into my Immaculate Heart and I will present them to the throne of God our Father who will bless each one and answer them with His desires and Will, and in His own time.

I have revealed much to you, my little children, about Our Lady of All Nations and the time in which you live. I pray that you will read, not only this message, but the ones I have already delivered in Germany, in Holland, and in Amsterdam. Read and live them. The messages now are most poignant. They still are the same! Pray and return to God!

I love you, dear children, and I bless you with the sign of your redemption, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Now as I make the Sign of the Cross again, I shall depart. I shall depart but I shall always be with you when, and especially when, you pray. As I depart I desire to bless everything that you have, everything you have with you, and everything that you have brought, placed near the altar, by the altar and under the altar. Everything in this room I will bless, and have blessed, and will bless again, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Thank you for responding to my call. *(a long pause.)* Now go, my dear children, in the peace of God.

I shall return again at the conclusion of the Mother of Mercy Chaplet, but I will not appear the way you see me. I will appear in light and I will give you a message through locution. I desire that this happen and that this message also be related to the people.

(She wanted us to pray at first the prayer of Our Lady of All Nations, but because the people did not have the prayer in their hand, she prayed the Our Father, Hail Mary and Glory Be for all nations and for peace in the world. But she recommends that we pray the Lady of All Nations prayer everyday.

Lord Jesus Christ,
Son of the Father,

send now Your Spirit over the earth

Let the Holy Spirit live
in the hearts of all nations
that they may be preserved
from degeneration, disaster and war.
May the Lady of All Nations,
who once was Mary,
be our Advocate. Amen
