

Message from MOTHER OF THE WORD

To THE WORLD

October 24, 2005 through Chris Curtis, a visionary in Maryland, U.S.A.

(Jesus is here also. Our Lord, He's here! He's wearing a white robe and He has long dark hair, dark eyes, a dark beard, and He has dark colored skin too. He has tears in His eyes. He says,)

My dear ones,

Today a message will come through My mother. It is very, very important that men listen to her messages and live them. Today, under the title of Mother of the Word, she shall bring a message on how to obtain peace and the end of the war. This is the same message she gave in Fatima and the same message she gave in 1981 in Rwanda. I am allowing her to appear again to repeat this message. This is the last time! Please, listen to her! *(He's blessing us, in the name of the Father, and of the Son, and of the Holy Spirit, Amen)* My blessing is yours and for everyone, but if they do not listen, I will prevent them from receiving the graces and blessings.

(He's backing off. He's disappearing in the bright light. Now He's gone, but Our Lady is here. She's wearing a long white veil with gold trim along the edge. She has long dark hair, big brown eyes. She's so beautiful! She has dark colored skin, and she's so beautiful! And she's radiating light. Her hands are in prayer. There's a Rosary, the same kind of Rosary, mother of pearl, gold chain. It's always the same. And she's wearing, again, like a wrap, and it hangs down like a dress all the way to her feet. I can see her feet and they're on a cloud, about maybe an inch or two above the altar. And there are twelve blue twinkling stars around her head. Our Lady says,)

My dear children,

I am the Mother of the Word. Listen and live the gospel message. Know that I am also your mother, your mother given to you at the foot of my Son's Cross, and I am the Mother of God. The Word became flesh and dwelt among us. Through my "yes", I am the Mother of the Word.

Dear children, in 1917, and again in 1981, I called you and the whole world, not just Africa, to repent and to return to God. I warned of a war and of these chastisements, not only coming from God but from certain individuals who did not want to listen to me. Consider, dear children, how the messages are the same and how today, you are faced with another war.

Little children, I call you to peace, and I call you to a plan of action. This is the plan of action. *(She paused. She has tears in her eyes.)* Sacrifice yourselves for the conversion of sinners. Pray every day the Rosary for peace in the world and for the end of the war. Little children, do you wish this conflict to be over? Then I call you to more sincere sacrifices. Sacrifice your life for the conversion of sinners and for the end of the war. Any pain, any burden, any sorrow, anything that makes you suffer, offer it to the Lord.

Oh, my dear children, I call you today like never before to offer your lives up to my Son the way He has for your salvation. Through your sacrifices you can end this war and obtain peace for the world. I warned you in Rwanda what would happen if men did not return back to God and sincerely sacrifice their lives for my Son and for the well being of their brothers and sisters. → Today, the warnings are the same. If you do not make sacrifices, then so shall you suffer, and suffer you will. Your country needs peace. It is the same plea I made in 1981. The government is divided against itself. People are divided against each other and even families are divided against themselves and against other families. If you do not make sacrifices, you will not have peace. Peace is God's gift to those who truly love Him and love others. This message, in all its simplicity is the same. Sacrifice your life for the conversion of sinners and for the love of my Son. For those who do, God will grant even more graces, and conversions will become possible through your prayers.

I bless you, little children, and I call you again because the time is urgent. The time is very urgent! Will you sacrifice yourself for the conversion of sinners and for peace in the world and the end of the war? If you say “yes”, I will use you and you will have much to suffer, but in the end, you will find peace. I bless you, little children, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.

And I have come also to tell you that my apparitions in 1981, in Rwanda, Kibeho, are linked directly to those of Medjugorje, and I desire all people throughout the world to have a devotion to me under the title of Mother of the Word, for that is truly what I am. Thank you for your response to my call. Go in the peace of God until I return.
