

Message (1) from YOUR MOTHER OF MERCY

To THE WORLD

September 13, 2005 through Chris Courtis, a visionary in Maryland, U.S.A.

My dear children, I have come from Heaven to lead you back to God. I have asked you to abandon sin and to return to God. How have you listened to me? There are many places in this world that I have appeared and am appearing, and many do not believe. My heart is sorrowful, sorrowful because you will not listen, sorrowful because of the many disasters that will come upon you. Oh, little children, had you returned to God, the disaster would not have happened. Now another one is approaching and is inevitable. Little children, God uses nature as a sign. If there are too many earthquakes, hurricanes, or natural disasters, realize that these are signs given to you by God so that you may amend your ways. These are warnings within nature so that you may see, believe, and return back to Him who has sent me.

My dear children, for many years I have come with one purpose and only one purpose, and that is to lead you to the heart of My divine Son Jesus. In order to avoid more disasters, I am begging you to make more sacrifices. Think about all the times you have offended Our Lord, and repent. Go to Confession and be cleansed of your sins.

God the Father, God the Son, and God the Holy Spirit are merciful. I am your Mother of Mercy, but what will happen? If this world will not even listen to me, how would they listen to my Son? In times past, they spit upon Him, mocked Him, made fun of Him, scourged Him, and yet today how many are doing the same by their irreverence and their lack of love towards my Son within the Most Holy and Blessed Sacrament. Jesus is truly present and you have offended Him deeply.

I asked for Eucharistic Reparation in Fatima in 1917. Today I ask for the same request. Recite prayers to Jesus for the forgiveness of sins and for all the wounds inflicted on His Most Merciful Eucharistic Heart. You can make atonement for the sins inflicted on Him through your sacrifices and your actions.

Oh beloved children, your time here on this earth is short. Spend it in prayer. Fall in love with Jesus, and you can avoid what is to come. Some events can be eliminated. Some can be lessened, and there are others that will come to pass exactly as I have said.

Dear children, the time to return to God is now! There is no more time left! You must consciously make a decision to return to God now, or not. My advice to you and the world, even though this may be serious, is – do not try to convince others, or the sinful, to amend their ways. Just pray for them, because time has run out. The sinners will suffer and so shall your nation.

When I speak of avoidance of the things that are to come, I speak to those who live in a state of prayer. Through prayer, even though the world may close in all around them or disasters may be at their doorstep, as long as they have a heart of prayer and are in the state of prayer, they will always find peace. And even in the midst of their sufferings and sorrows, they will be united to Jesus. Therefore, dear children, make reparation to the Eucharistic Heart of Jesus and do not offend Our Lord anymore, for He is already so very much offended.

And I desire as your Mother of Mercy to draw you closer to His heart. Therefore I say to you, read and live my messages. Dear ones, know that I am really here and that I am with you. Do not lose time in worrying about what other visionaries or messages say, for they say the same thing. The only thing that changes is the location, and also, and this is different because I have been with you for five years now, and I am giving to you a devotion to help you through these times. The devotion is devotion to me, your Mother of Mercy. Read and live my messages, especially the ones I give under the title of Mother of Mercy. Live them! Do not concern yourself with any other messages, for what I am asking you to do

is enough for now. Do you understand what I am asking you to do and live through these messages is enough for you to do and live now, at the present moment? And realize I give you the messages so that they may be lived in order. This month live these messages. Do not worry about what messages I give in the future or the messages I gave previously. Live them now! Live them every month until I shall no longer be with you.

Thank you for your response to my call, and now I will give the second part of the message. (See message (2) for September 13, 2005)
