

Message (2) from MOTHER OF MERCY

To THE WORLD

May 24, 2005 through Chris Courtis, a visionary in Maryland, U.S.A.

*(There is a bright light around the painting. Now she says, "Now you shall hear me in your heart. She says,)*

Dear children, I desire to call you to the love of God and away from Satan and his deceptions. As this chaplet and devotion (Mother of Mercy) are going out to the world, the only concern I have is for those who will participate in this is this: Do not let this devotion, or your life, turn into a cult. Anybody who is open to me and to my Son is also, or can be, opened also to the deceptions of Satan. Therefore, dear children, be wise. I call you to live my messages, to live them the best you can. That's all that God asks. That's all that I ask of you.

I desire for you to have a devotion to me under the title of Mother of Mercy, to pray the chaplet and to live the messages. To live them means to live, to pray, and to love God, but not to be separate from the world. You still must live in it. This is what God's desire is and what I desire of you, to be living witnesses. Do not, do not, do not let your hearts be filled with deceptions of Satan. Your life belongs to God but you still must live your life. Therefore, live and pray in this world.

I desire you to know how to be protected. The only way for you to be protected is by the Child who I hold in my arms, Jesus. Protect yourselves from cultism and from the deceptions of Satan by prayer, fasting, going to Eucharistic Adoration and by putting your complete trust, like a child, in your Jesus who is crucified. Put your trust in Him and hope for a better tomorrow.

Those who have a devotion to me and the Mother of Mercy is good, but I must say, I point the way to Jesus. *(There's like flashes of light.)* The flashes that you saw represent God's presence. Though you do not see me, and though you only hear me in your heart now, I am still here giving you the message so the people will understand that I am always present, even when people do not see or hear me.

Please understand that when you are open to me, even though I bring my Son, Satan also desires to enter. I have warned you little children – Eucharistic Adoration, the Cross, and prayer and fasting – these are your tools. These are solid tools, steeped in tradition and the Magisterium of the Catholic Church. This will keep you safe from the deceptions of Satan and from becoming a cult.

All glory and all honor should belong to my Son who has allowed me to come and to be with you in a very special way. Do not deny him your praises and your gifts. Have devotion to me and love my Son. If this devotion turns you away from Jesus and His mercy, then do not accept it. But I say to you, this devotion which is accompanied by His divine mercy, leads you to a better understanding of Jesus' mercy and how much he loves you and how much He desires you to seek His mercy and His graces through me. For as I have said, when the door to Heaven is locked, I am the one who unlocks it. I can change the heart of my Son with your help, with your prayers and love. Love Jesus and be my children. →

*(She is here, Our Lady! She's blessing us with the Sign of the Cross, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Now go, my dear little children, in the great peace, love and mercy of God Most High. Ad Deum.*

*(Our Lady told us she was going to appear the next seven months. Next month (June) as Our Lady of the Miraculous Medal. After that she's appearing as Our Lady of Lourdes, Our Lady of Fatima, Garabandal, and again under the title of Mother of the Word and then Queen of Peace, and Emittsburg. She's doing this so when the messages are over we can review the messages again and live them.)*
