

Message from your MOTHER OF MERCY

To THE WORLD

October 24, 2005 through Chris Courtis, a visionary in Maryland, U.S.A.

My dear little children, praised be Jesus!

My dear children, God has sent me, out of His merciful love, to bring you a message of mercy. God the Father has a heart and it is breaking to see you on the road of destruction and devastation. Therefore, dear children, through God the Father's Most Merciful Sacred Fatherly Heart, He has sent me to be here with you in a special way.

My dear children, I desire like never before to call you to the mercy of my Son Jesus. His Most Holy Merciful Sacred Heart overflows with love and mercy for you. My Son Jesus desires not only to forgive you your sins, but He desires to love you. He desires your closeness. He desires to be close to you.

Little children, all those who seek to be graced and grace-filled must go to Jesus and develop a personal, intimate relationship with Him and Him alone. He is alive, little children, and He is real! He has a sense of humor, and He is merciful. I have told you once, and I will tell you again, part of the reason why He is merciful is not only because He is God but He is also human, fully human yet fully divine. He understands your suffering. He understands your pain and your sorrows, and He can comfort you and give you what you seek of Him. But, little children, He desires you to be intimate with Him. Seek Him, know Him, love Him, return to devotion to the Most Sacred Heart of Jesus. There you will find a fountain of love and mercy for you. Return to the Eucharistic Jesus and you will develop your friendship with Him. He is merciful, and by means of His Most Sacred Heart, His Cross, and the Eucharist, He showers forth His mercy and love to all of you. Remember, little children, no one is more favored and grace-filled than you when you have devotion to the Sacred Heart of Jesus, to the Cross, and to His Most Holy Blessed Sacrament. I am His mother, and though I love you very much with all my heart, I desire you to always be closer still to my Son who is real and who loves you so much.

(She's pausing for a moment. She's looking around the room. It looks like she's looking in front of herself, like to the future or something. She says,)

Little children, I can see your suffering, and I know what you will suffer in the future, but realize that Jesus is merciful and that He is with you. Oh, little children, God does test you and so does my Son, not to see whether you are worthy but to see whether you will continue to love Him in times of difficulty, confusion, and pain. He is so merciful! Through testing He can make your weaknesses stronger. Through testing He can bring you to your knees in humility and raise you up even more than you have been.

Oh, little children, do not, do not run from suffering or from my Son's testing you, because you can be made whole through your sacrifices and His, and He will raise you up to love and mercy. I desire you to draw closer to His Merciful Sacred Heart through your sacrifices. Realize that He is human and that He loves you.

I am His mother, and I am your mother, the Mother of Mercy, and I desire you to draw closer to Jesus. I desire to give you Jesus, but like all things, you must take the first step. Reach out to Jesus and realize He is with you, He is merciful, and that He loves you. My heart yearns for you to be close to Jesus because it is through Jesus that I receive all the graces, mercy and love that I give to you. My heart and His heart are inseparable. Those who venerate my Immaculate Heart venerate Jesus' Sacred Heart. Those who venerate Jesus' Sacred Heart please my Immaculate Heart.

I love you, dear children, and I also desire tonight to tell you this. Please pray the Chaplet of Mother of

Mercy from your heart. Little children, don't just recite it and run off. This Chaplet has great power, healing, love, mercy. All the graces that I can give I am giving through this chaplet, but you must make the sacrifice (*She's holding up her finger.*) and the effort to pray it slowly and from your heart. I would rather you pray one chaplet from your heart every other day than for you to pray the chaplet every day and not mean it from your heart. I do desire you to pray the chaplet every day, but not if it means that you will not pray it from your heart. My presence is real and accompanies you every time you pray this chaplet from your heart. Without prayer from the heart, little children, even this chaplet and its words means nothing.

Now I bless you with my Son Jesus whom I hold in my arms. I bless you, in the name of the Father, and of the Son, and of the Holy Spirit. Now, as I make the Sign of the Cross again, I shall depart. I shall depart, little children, but I shall always remain with you in a special way when, and especially when, you pray. Please know that as I make the Sign of the Cross again, I shall bless you and all that you have with you, all that is on the altar, by the altar, under the altar, in this room, and including you yourselves, I am blessing and have blessed again, and will bless again with my Son Jesus whom I hold in my arms.

Also know that I take your petitions into my Most Merciful Immaculate Heart and will present them to the merciful heart of Jesus, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Thank you for having responded to my call. Now go, my little angels, in the great peace, love, and mercy of God Most High. Ad Deum.
