

Message from the BLESSED VIRGIN MARY
To THE WORLD

March 24, 2005, at 5:30 am privately through Chris Courtis, a visionary in Maryland, U.S.A.

My dear little child, please write down what I have to say and what I will show you.

My dear children,

I am the Blessed Virgin Mary. I come from afar to help you and to save your souls. Can you not see the era in which you are living? Your country, your nation is divided. It is a battle between good and evil. Dear children of America, your nation is divided, the people against the government, the government against the politicians, and peoples' morals against the judges.

Dear children, your nation cannot survive without peace. If you continue, you will fall. People are divided against each other. Other nations are divided against other nations, priests against priests, even bishops and cardinals against my pope. There is division, and it is resulting in the loss of many souls, and the divisions are growing far and wide. Look! *(She showed me a bridge with a lot of cars on it, and I saw the support and there were so many cars on the bridge, big, big cars and it was so constantly being weighed down by floods and the heat that it began to crack, and Our Lady said,)*

This is your nation and this is the world now. Your nation and the whole world and the Church is under great stress. *(Then I saw the bridge collapse under all the weight, and she said,)*
This is what will happen to your nation, to the Church, and to the world if you do not return to God.

A nation divided against itself cannot stand. You are losing your grip, dear children, on reality and on God. Already now, your money is being taken away. The economy is in deep stress. This will continue.

Dear children, I plead with you to amend your ways. If there is not a return to God, there will be greater chastisements to come. In order to save humanity, out of His infinite mercy and love, God will strike the earth with major earthquakes. There will be earthquakes in diverse places. There will be earthquakes in places that have never experienced earthquakes. The whole world will be in sadness.

God shall do this, not out of anger, but to wake you up because you are sleeping. Dear children, wake up before it is too late! You are sleeping and there is smoke all around you. What should you do if you wake up? Can you even survive the smoke? What happens if you remain sleeping?

Please, I am the Mother of God, and I am your Mother of Mercy, but you are bringing greater suffering upon yourself and upon the world through lack of kindness and the ability to truly love God. I love you, dear children, and I do not want you to perish, but you are not paying attention to my messages, and many lives are being lost in sin.

Look at your present day. Everything that I have predicted is coming to pass. Woe be to you, dear little children if you do not return to God. Please, dear children, return to God, return to God, return to God. Your nation is in a spiritual civil war. The world is in a spiritual civil war. →

Unite in peace. Pray to my Son Jesus. Ask for forgiveness. Repent and amend your lives. Return to frequent Reconciliation and sacraments of the Church. Grow in holiness and be rich in the love and mercy of God. Love my Son! Love my Son! Love my Son, and respect me! Priests are even divided against me. I am the Mother of the Church and those who are divided from me will perish. Heed this urgent call!

I love you, and I desire nothing more than for you to return to God now. Time is running out! Dear children, I love you! I love you! I love you, and I bless you with the Sign of the Cross, in the name of the Father, and of the Son, and of the Holy Spirit. Amen.

Please, dear children of America and the world, love my Son! Be like my Son! Serve my Son! Return to Him, for only in His ordinance, laws, and love and mercy will you truly have peace! Thank you for your response to my most urgent call. Tell everyone that I love them and that I am praying for them. Now go in the great peace of God, Ad Deum.
