

Message (2) from YOUR JESUS OF MERCY

To THE WORLD

April 24, 2006 through Chris Curtis, a visionary in Maryland, U.S.A.

My dear and beloved children of My Father's earth,

Today, I come among you, and I bless you, and I desire you to return to Me. Today is a day of Divine Mercy, for you have just finished celebrating My Divine Mercy, and also, it has been Easter for some. This is the day that I wish to invite you back to My Divine Mercy through spending more time in the presence of the Blessed Sacrament, and most importantly, through the Mass. If you missed Mass, My dear ones, you missed Me, your Jesus of Divine Mercy. If you missed Mass, My little ones, you've missed Mary, the Mother of Mercy.

All devotions should lead you to one place only, to the Eucharist, to Mass, and to Adoration. I tell you in truth, I am your Jesus of Mercy. I am given to you through the Eucharist. I am there, and My mother is there also under her title of Mother of Mercy. There is mercy being given to you at the Mass. All the angels and all the saints, including My father St. Joseph, the Holy Trinity is there. I am there, the Holy Spirit is there, God My Father is there, and so is My mother.

During Mass, you should pray, you should keep your mind focused. When you have time during the Mass, quietly speak to Me. Tell Me of what you want and what you need. If you need My mother's assistance, ask her to pray for you there. I desire every soul to receive mercy, Divine Mercy and My mother's mercy. It is most special and most powerful in the Mass. Healings can occur at Mass. Conversions can occur at Mass. I desire you, all of you, to go there.

I wish you could all understand the importance of Holy Mass. I have mentioned many times that at Mass I give to you My Body, Blood, Soul, and Divinity, and I have mentioned many times that during Eucharistic Adoration, I am there physically, because It is My Body. I am there physically, more powerful there than I am here. So I call you there.

I also mention many times about My mother's unceasing mercy that she pours out to you at Mass and during Eucharistic Adoration. She is there as I am there. Wherever I am, My mother is with Me also.

I desire to grant unfathomable Divine Mercy to every single one of you throughout the world, but I cannot unless you approach with trust, unless you know where to go. The Divine Mercy picture, "Jesus, I trust in you." is only the first step. You must seek Me out within the Mass. Blood and water which gushed forth from My Most Sacred Heart – is it not present at the Mass? I am there at the Mass. Come to Me, My little ones, with your rosaries, with your chaplets, with your novenas, with your prayers, with your heart. Come, kneel, and give Me all your worries and all your concerns, and I will give to you My mercy, my love, which is also the Father's love, and I will pour out My Blood and Water upon you and give you the grace of the Holy Spirit.

There at the Mass, you meet My mother face to face as she stood at the Cross. Remember what My mother has said. "It was at the foot of the Cross that I became your Mother of Mercy," when I said to her, "Son, behold your mother. Woman behold your son." It is there at Mass that the Cross is united. It is there at the Mass where Heaven and earth join. My living sacrifice on the Cross continues at Mass. There you shall find Me, Your Jesus of Mercy, and My mother under her title of Mother of Mercy.

And now, I shall bless you. *(He's blessing us with the rays of His Divine Mercy, the Blood and Water. I see it. He says.)*

Now, I shall depart. I shall bless you and all that you have with you. As you make the Sign of the

Cross, I will depart to My Father who has sent Me, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.
