

Message from OUR LADY OF THE ROSARY OF FATIMA  
To THE AMERICAS

October 13, 2006 through Chris Courtis, a visionary in Maryland, U.S.A.

*[During the Rosary, Chris mentioned that he saw a light around the altar. Later, that light fused with the statue of Our Lady of the Rosary of Fatima and the statue disappeared behind the apparition of Our Lady which remained the size of the statute. Our Lady said,]*

Praised be Jesus!

My dear little children, I greet you in the love and mercy of God Most High. I thank you, my little ones, for praying with me on this great day, over 89 years ago when I appeared to three shepherd children to teach them the love of the Rosary. I thank you, my dear little children, and I bless you. I bless you in the name of the Father, and of the Son, and of the Holy Spirit, Amen.

My dear children, on this anniversary day, I come with a message of urgency and love. Please listen, dear children. God has allowed me to appear in many places throughout the world. I've come so often to help you, to save souls, and return all people to the heart of the Father. However, my messages in many places have not been heard or carried out. The time is coming when everyone shall be in great tribulation. God shall punish the world for its many sins and crimes against Himself and humanity.

My Sorrowful Immaculate Heart cries to see so many lost children in this United States. I have appeared to help you, and I desire to lead you still closer to the heart of God through your prayers and small sacrifices. Please, dear children, take hold of my hand and let me lead you. This United States needs great conversions. Pray and fast more for the sins of those living here. Offer up your daily prayers and sacrifices for the conversion of sinners and in alleviation of God's divine justice which is about to descend on all humankind. The graces that you seek and the key for you to withhold God's justice is prayer, fasting, sacrifices, especially pray the Rosary. My Immaculate Heart alone still can prevent and stop the coming calamities facing this nation, but only if you turn to me, am I able to help you.

The message today that I give is serious because you are not listening. I call you to leave sin and to surrender to God's ways, which are not men's ways. Read the Bible. I point you to His words. I am only His mother and messenger sent from Heaven to echo the Gospel, "Repent and believe, for behold the Kingdom of God is suddenly upon you." Read! Pray! I desire to tell you also, dear children, that life is short. If you are blessed with 80, even 90 years, it is a twinkling in God's eyes. I desire you to seek Heaven, for that is your true home.

Little children, the only thing that matters is love. Take account of your life, dear ones, for when you behold God's face in Heaven, He shall ask you one thing, and one thing alone – how have you loved? Be warned, dear children, that those who love little will not enter the gates of Heaven. Love is wide and love is strong. Love with all your heart God, your family members, and all people. Know that God is in each and everyone of those who receive Him in Mass and who call upon my Son's name. Respect the gift of life by respecting each other. If you cannot respect those around you, how can you have respect for those who are dying and for those who are aborted. Receive my words deep within your hearts. Ponder them, for they are life to you if you accept them. I am here, dear little children, for one purpose only, to lead you to my Son Jesus. Always, He is first.

God the Father loves you, my dear children. His heart is burning with fiery love for you. He wants all His children to be saved. That is why He has sent me, to remind you of His love and His mercy. If this world does not return back to God, especially you in America, because my message is for America because I appear to you, if the Americas do not repent and turn to God soon, greater forms of purification will be upon you. There will be many disasters, one after another until you amend your ways. There will be hurricanes and flooding in many places. Many people will experience the loss of faith. Calamities of

all kinds – earthquakes, tornados, disasters of every kind shall grip your nation. Please believe me when I tell you these things.

Next year is the year that God shall hold back His justice for one year. There will be a minor chastisement next year, a hurricane, but through your prayer and mine, it will be lessened, and many souls will be saved if you heed my warning and pray with me. I love you, dear children, and I pray for you. I love you and I mourn for you also. Love, dear children, please love!

I bless you. As I make the Sign of the Cross, I shall bless you and I shall depart. I shall depart, yet I shall remain with you always in a special way. As I depart and give my blessing, everything shall be blessed, everything that is on the altar, by the altar, under the altar, and everything you have with you and all that you have with you, and everything in this room, I will bless. *(There's a light. It's hovering over...the full apparition! It's Our Lady, Mother of Mercy! She's blessing us in the name of the Father, and of the Son, and of the Holy Spirit, Amen)* Thank you for having responded to my most urgent call. Now go in the great peace and love and mercy of God Most High. *(The light's engulfing her. I hear her voice say, softly "Ad Deum." Now the light is vanishing, it's ascending upward like through the ceiling. There it goes.)*

*[Following the prayers after the Rosary, Chris explained, "When she appeared, she appeared as Our Lady of the Rosary of Fatima. That was her title. Towards the end, she appeared as a full apparition, above the altar and as Our Lady, Mother of Mercy.]*
