

Message (2) from MOTHER OF MERCY

To THE WORLD

May 25, 2006 through Chris Courtis, a visionary in Maryland, U.S.A.

Praised be Jesus!

My dear children, thank you, thank you so much for singing this beautiful chaplet! I desire you, at least once a year, to continue this practice of singing the Chaplet of Mother of Mercy. Thank you. I desire to come among you to show you how grateful I am. I hold in my arms, the little Child Jesus, and I am accompanied not only by St. Joseph but St. Elizabeth Ann Seton who is a model of charitable mercy. My message is this:

My dear little children, praised be Jesus!

Dear children, I desire to call you to the mercy of God. God the Father loves you and desires you to be close to Him. Therefore, dear children, surrender, and pray with all your heart to God the Father. He is merciful and He loves you so much! His heart is filled with love and mercy for you. That is why I have been sent to you, not only to reveal to you my Son's mercy, or my mercy, but God's mercy. God the Father has unlimited mercy, and love, and graces to grant to you if only you would pray with all your heart, believe firmly, and approach the Sacred Heart of the Father with trust. Trust is a vessel not only to receive Jesus' divine mercy but God the Father's mercy as well. Trust, and you will receive in abundance all the graces, love, and mercy the Father desires to give you.

It saddens my heart that many people do not respect the Father, or love Him as a father. They fear Him. They question His motives too. Do not question, but surrender in faith all that the Father sends your way, even sicknesses and suffering, and know that the way will be better, not only for you but for others because you accept His Will. I also desire you to know that God the Father is not a vengeful God. He is a loving and merciful God, and He is not a vindictive God, but He loves you infinitely. Therefore, dear children, never forget how much your Father has loved you by sacrificing His only Beloved Son, for love of you. Truly, He is a merciful and loving Father.

I also desire, dear children, to call you closer to the Sacred Heart of Jesus, which is also another fountain of great mercy. But before you approach even Jesus' Sacred Heart, I desire to tell you that blasphemy is being continued now even against His Most Sacred Heart. Penance, dear children, penance, and make reparation for the wounds inflicted on the Sacred Heart of Jesus! His heart, after all these many years continues to suffer for you and calls you to conversion. Jesus loves you and desires to grant you His mercy, but He desires you to make reparation. He suffers for you, even now, because men do not want to amend their ways and live the gospel message. Please, dear children, make amends. Know that every suffering, penance, and everything that you offer up to God, and to Jesus, and to me, I give to Jesus and to God the Father to help to achieve alleviation of their pain and of the just hand of God.

I love you, little children, and desire to bless you. Remember, I am your Mother of Mercy, and I am never called for in vain. Wherever I am, my Son is with me also. He desires you to be humble and live in a charitable way. Be humble, little children, and love one another. That is why, not only am I the handmaid of the Lord, but I also bring St. Joseph who in all his humility, humbled himself to be the foster father of Jesus, and Mother Elizabeth Ann Bailey Seton who is the most charitable daughter of God. "Love one another as I have loved you." That is the greatest commandment of all, and this is what Jesus desires of you and what I desire of you because I am His mother and your mother.

And now I shall bless you. Know that I shall take every prayer and petition, even the petitions on the altar, and I will present them to the Most Holy Trinity, which is the Father, Son, and Holy Spirit. And now I shall bless you. I shall bless you and all that you have with you. All that's on the altar, by the altar, under the altar, everything in this room, including you yourselves, I will bless with my Son, with St. Joseph, and Mother Seton, in the name of the Father, and of the Son, and of the Holy Spirit. And now I

shall bless you again, in the name of the Father, and of the Son, and of the Holy Spirit. Now I shall depart, dear children. I shall depart but I shall always be with you, always, and I will come again in October. I shall be with you through all these months when, and especially when, you pray. I love you, dear children, and now as I make the Sign of the Cross, I shall depart and return to Him who has sent me, who I hold in my arms, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Thank you for having responded to my call. *(There's such light! It's unbelievable!)* Now go, my dear little angels, in the great peace, love, and mercy of God Most High. Ad Deum.

[Following the apparition, Chris said that Mother of Mercy said the promises of the regular Rosary also apply to the Mother of Mercy Rosary. He also further explained what he saw when Mother of Mercy appeared with the whole Heavenly Court. *“There were angels, and there were some angels I haven't seen in a long time, the little cherubs with the little heads and the wings that she steps on sometimes, and then I saw these little angels that are baby angels with wings which actually do exist, and there are these big angels that have big, big wings. They have long white robes, and I've seen other angels that don't have wings but are dressed in white and are just beautiful, and I saw all these saints, sorta like the way you are to me, all the people are in the rows, standing behind everybody else. There were many, many saints, and Our Lady did bring the Child Jesus and that's how she looks in every apparition with the blue mantle and the white robe and during the last apparition we just had, she appeared again in that manner but with St. Joseph and Mother Seton.St. Joseph was dressed in gold because it was the feast. And Our Lady, even though she had the blue mantle, she had gold trim around her veil and her sleeves, and the bottom of her dress was gold, so she did have gold with her today.”*]
