

Message from JESUS OF MERCY

To THE WORLD

April 13, 2007 through Chris Courtis, a visionary in Maryland, U.S.A.

(Jesus wants me to describe what I see. Jesus is in the middle, He's on a cloud, He's dressed all in white. He reminds me of the Divine Mercy pictures, but there are no rays coming out. On His left are St. Anna and St. Elizabeth Ann Seton. They're greeting us. Jesus is in the middle and to the right of Jesus is the Blessed Mother. She's greeting us, and then to her right would be St. Joseph. He's greeting us. Jesus also has gold trim along the sleeves, along the opening of his gown around His neck, and his long tunic which falls down to His feet, and at the end of the robe is gold trim, but the rest of his robe is all in white. He says,)

My dear children,

I have to repeat to you over and over again that today, now, is the time of great graces and of great mercy. I am prolonging the time of mercy for sinners, but again, woe be to those who do not recognize the time of their visitation. My mother told you in her last message on January 6th, not to fear what is to come. She has promised you a "time out", not a time of peace. I promise the same thing. I say, through My mother again and tonight to you all personally, "Do not fear what is to come." I do not wish to touch on disasters and plagues and what humanity will do to itself if it does not return to Me. However, all I can ask you to do, and all I will ask you to do is to return to Me.

The feast of My Divine Mercy is coming up this next Sunday. How many sinners, how many poor sinners will not find me? This is the great day in which I give to you My divine mercy. All the floodgates of My Divine mercy are opened and poured upon you, but there are still too few in number. I call for repentance and trust in Me. I, your Jesus, also say to you, "I bless everything that you have with you tonight and all that is by the altar."

Today, I call you to My divine mercy. Stay in My divine mercy through prayer, repentance and trust in Me, Jesus, your Risen Lord. Bless you, my little ones, bless you, in the name of the Father, and of the Son, and of the Holy Spirit. Amen. And now, My message for the world.

My dear and beloved children of My Father's earth,

Today, I come among you in a special way to remind you of the great love I have for all of humankind. You look for mercy and love, I point you to My divine mercy. You ask, "Lord, how do you love me so much that you are willing to die for me? I cannot comprehend your love." I say to you, "You can comprehend it." Behold, I am human. I am mortal. This has given Me an understanding of you, and you all have an understanding in me. I became your brother and walked the earth in flesh. Yes, my dear ones, I suffered temptations, I suffered the attacks of the evil one, and overcame him. Yes, I suffered ridicule. I suffered even unto death, even death itself, but death did not have any power over me. I conquered all! In My humility, in My humanity is My mercy, and is My love. My Sacred Heart burns with love for you because it is a human heart as well as divine.

You cannot separate My divinity from My humanity, or My humanity from My divinity. My compassionate heart overflows with love and mercy for you because I understand your predicament, because I was human and My heart still retains that humanness and likeness and love for all of you. I'm approachable because I humbled myself in all of My power to take on the flesh, because I love, because I love you all. Humble yourselves, therefore, unto Me and let My blood and water which gushed forth from My Most Sacred Heart overshadow you and make you clean and restore you to righteousness and love. Little children, this is the means to restore you to holiness and righteousness, the blood and water from My Most Sacred Heart. I desire all humanity to embrace Me. I hold out My heart as a child and as a man to all humanity. Embrace My heart by embracing My sorrowful, human passion. *(He's pointing*

to the Cross on the altar. He says,)

I had to suffer My sorrowful passion so that you may know the road to Heaven. I call all those who seek divine mercy to suffer as I did the sorrowful passion. Little ones, also remember that along the way, I rested from My Cross, I fell three times. The last one was the most agonizing and hard for Me to overcome. I rested for a moment and continued on. Remember what I tell you in Scripture, “Come, all those who are burdened and heavy laden, and I will give you rest.” And again, I say to you, rest, not, not a complete time out. After you rest, you must continue on. You must take up your Cross and follow Me.

The miracle of all miracles is that I love you and that I live among you within the Sacred Host. It is flesh of My flesh. It is My body. Therefore, My divine mercy can always be found there. Seek Me, and you shall find Me, hidden in the Eucharist and in the Mass, if you open yourselves up to Me in you. I want to dwell in you. Open your hearts! Call to Me, and I will make My rest in you. I love you, dear children, and I bless you. *(There's His Sacred Heart!! He's blessing us! There are rays of white and red rays coming from His heart! He says,)*

And I shall bless you with the Sign of the Cross, your peace and redemption, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Now go, My children, in My peace.
