

Message from JESUS OF MERCY

To THE WORLD

October 13, 2007 through Chris Courtis, a missionary in Maryland, U.S.A.

*(While praying the Joyful Mysteries of the rosary, Chris tells the prayer group, "I see angels." We are to continue to pray." At the end of the third mystery), Chris exclaims, "St. Michael! St. Gabriel! And St. Rafael! There's a light – It's Jesus!! [Jesus was not expected to appear today] "Jesus says,)*

My dear ones,

I come today, not only for you alone but for the whole world. It has been ninety years since I also appeared at Fatima on this day. I came to bless the world and to give it peace for I alone am the Prince of Peace. However, the world is not responding. The message I give today is out of My infinite love and mercy for every man, woman and child on this earth. The door of My mercy is now open wide. This is a grace period for each individual to return love to Me, to show mercy on others, and to repair and to amend their broken lives.

The world is going towards its ruin, and I implore you to prayer, sacrifices, penance for one purpose and for only one purpose, your conversion and peace. You should continue to pray and fast for world peace, but you must also pray for others that they amend their lives and return to My mercy and love before it is too late.

In my infinite justice I am allowing all the demons to be released from hell. Earth will find no rest. Therefore I call you to repair the grave offenses committed against My Most Sacred Heart, by starting very simply by going to Eucharistic Adoration. I do not know what else I can tell you. I have given you warnings, and I have said it over and over, and over again, "Men must repent and return to Me before it's too late!"

You, My children, are responsible for the messages. You, My children, must consciously take up your cross and live every message I give. Burdensome, it is not; hard, it is. I am making My mercy more accessible for everyone. Instead of climbing up rocky hills, I am now applying steps; however, it still will be difficult and hard and painful. I'm with you on your journey to your crosses and to Mine.

Peace can only be obtained through the Cross and through My mercy. Do you want and long for mercy? I point you to two places; one, My Cross; two, the Eucharist. In each instance, upon the Cross and in the Eucharist, I am offering Myself to you totally and unconditionally. Give up yourself! Pray! Pray! Pray and repair the grave injustice that the world is doing to Me!

Please, I am your Lord. Along the way of Calvary I, too, needed help in carrying My Cross. I once again, ask the world to help Me carry this Cross (*the world*). Pray for protection against Satan and against his evil angels. Pray to St. Michael to guard you. Pray to St Gabriel to enlighten you, and pray for St. Raphael to heal you. To each one of you I have selected and given a personal guardian angel to be with each of you. You all have them. Sometimes even more are given to you through your devotions and most often through the Holy Eucharist and Mass.

*(There's a very strange vision. I see the world and I see Jesus supporting it, but I see tears falling from his face. )*

My last words to you, My children, are this: No more time shall be allowed. This is it! Dear children, you are forcing My hands. I bless you, My little ones, and My mother shall come. Towards the end of the Rosary, she shall give a message but she shall be present during the middle of the recitation of the Glorious Mysteries.

I bless you in the name of the Father, and of the Son, and of the Holy Spirit. Take heed to My warning and return to Me. (*He's gone.*)
