

Message (1) from MOTHER OF MERCY

To THE WORLD

May 25, 2007 through Chris Courtis, a visionary in Maryland, U.S.A.

My dear children,

Thank you for gathering together with me. Thank you for your prayers, especially during these nine days (Mother of Mercy Novena). Thank you for your prayers, dear children. I desire to tell you how much I love you and how I desire, along with my Son whom I hold in my arms, to tell you to continue to pray the Rosary every day. Pray both Rosaries as I have recommended. (Mother of Mercy Rosary and the regular Rosary.) You do not understand the importance of these two rosaries and the great graces that they have for changing your lives. There is power in both these rosaries to expel Satan and to open the door of Heaven for a time. Continue to pray both rosaries, the regular Rosary and the [Mother of Mercy Rosary](#). I love you, dear children, and I will tell you again to encourage you to pray both rosaries, and that is – there is great power in both rosaries. Both rosaries have the power to cast out Satan and open the doors to Heaven. Continue to pray. And now, my message for the world:

My dear little children, praised be Jesus!

My dear children, today, like never before on this feast day of Mother of Mercy, do I call you to conversion. This is one of the most important messages that I can deliver on this day. Convert yourselves more fully to God by giving yourselves over to prayer and live my messages. Surrender yourselves completely to my care so I can take you, not a little of the way, not half way, but all the way to my Son. Follow me, dear children, and I will lead you to my Son. Surrender your will, your desires, and what you want, and surrender to that which God desires to give to you. Your conversion depends on your surrender. If you continue to push your own will and what you desire, you'll never be moved. Your hearts are like stones that can only be softened through prayer and surrender. If you can not surrender, I invite you to trust, trust in my motherly intercession and in my Son Jesus, always He is first. Begin by taking small steps. Wake up and say "Today, I will trust in Jesus for what lies ahead today." Do not think about tomorrow but concentrate on trusting your entire day to Jesus today.

I love you, dear children, and I am with you. I desire that you open your heart to receive all the abundant graces that Jesus and I desire to give you in this time of grace. But you must convert yourselves fully to God. Continue praying, and most of all by going to Mass and Adoration. Jesus' peace is there, and His mercy is most fully accessed not only through prayer but through Adoration of the Blessed Sacrament, Mass, and confession.

My Son is merciful. I am the Mother of Mercy, and I will always pray and intercede for you, but you must make the effort of surrendering yourself, trusting in God, and accessing His mercy through prayer, Adoration, Mass, and confession.

I love you, dear children, these are your tools to help you. The rest is up to YOU. I also advise you to continue to pray every Saturday, the Chaplet of the Mother of Sorrows. Pray it every Saturday, access my Merciful Sorrowful Heart through My sorrowful mysteries of the Chaplet of Our Lady of Sorrows. Pray, pray, pray! I revealed my heart to you once, that the wounds were being healed and that the only way that you can access my Immaculate Heart is through prayer. Surrender yourselves and know, thanks to your sacrifices, my wounds will be healed and a time of peace will come. God has trusted the peace of the world to my Immaculate Heart. Only through your surrender and prayer will it come about fully.

I love you, dear children, and I bless you. I bless you in the name of the Father, and of the Son, and of the Holy Spirit. Now I shall depart. As I shall depart, I shall bless you again with the Sign of the Cross, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Please know that I bless everything in this room, all that you have with you, everything you have on, everything that's on the

altar, by the altar, and under the altar, I have blessed. Now I shall depart to God who has sent me, but I shall return, little ones, during the Mother of Mercy Chaplet. I also desire you to pray the last day novena before the chaplet because I will come during the chaplet. I love you, dear children. Thank you for having responded to my call. Now go, my dear little angels, in the great peace, love, and mercy of God Most High. Ad Deum.

(I forgot. She wants me to tell you what she looks like. She has a long veil but it's all gold and her dress is all gold, and Jesus' tunic is all gold, and there's a beautiful gold light all around her and on the cloud, and I can see her feet and twelve blue twinkling stars, and she says that she will come with the angels and with St. Mary Magdalene later, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.)
