

Message (2) from MOTHER OF MERCY

To THE WORLD

April 25, 2007 through Chris Curtis, a visionary in Maryland, U.S.A.

*(Our Lady has the Child Jesus with her. Our Lady says,)*

Praised be Jesus!

Dear children, today, also I call you to pray for peace. Dear children, pray, pray, pray for peace! I desire first and foremost that you pray for peace within your own heart and soul, then within your own families, and for others, and for the whole world. Pray for peace within your heart and soul and within your own families first because you cannot say you are at peace with God if you do not have His peace within your heart and soul first. Therefore, pray, pray, pray for peace within your own heart and soul.

Little children, be prayerful children and be on your guard. Do not let Satan take away your peace at any cost. Stand firm! Do not let him deceive you! Pray and fight Satan through prayer and fasting! Don't let him disturb you, and don't be afraid in temptations but be victorious in Jesus Christ who lives in you after every Mass. I am your mother and I desire you to be closer to the Father through whom all graces and mercy and peace come forth. But you must pray! Pray always, dear children, pray unceasingly! Pray in the midst of trials and sufferings and know, my little children, that I am with you.

I also desire that you have a strong prayer life. It is this, plus prayer and fasting that will help you have peace. Dear children, pray and fast and get your own prayer life in order. Pray! When I say pray, I do not wish only to say increase the numbers of hours that you pray, but pray from your heart! It does you little good, dear children, to pray for long periods of time without praying from your heart.

This is how you should pray, my little ones. Before you pray, go to the Cross of Jesus and ask pardon for all the sins that you have committed. Ask Jesus to have mercy on you and to forgive you your sins, and pray from your heart. Pray my Rosary. Pray the Chaplet of Divine Mercy, and afterwards, talk to me simply and honestly as a little child. Tell me what you need and what you desire. And then afterwards, spend at least 5 minutes in quiet prayer. Do not speak, just remain in the peace of my Son and my Immaculate Heart.

I desire to grant you peace, but you must pray and fast for it. The world needs great peace, but the only way this peace will come, little children, is through YOU. Therefore, be an example of peace. Pray and fast for peace, and know that I am your Mother of Mercy, and I am with you always, even when you do not see me, even when you do not feel me, I am watching over you.

And now, my little ones, I bless you, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. I love you, dear children, I love you. Thank you for having responded to my call. Now go, my little angels, in the peace of God.
