

Message (2) from MOTHER OF MERCY <http://www.movingheartfoundation.com/wd5-m2-aug24.htm>  
To THE WORLD

December 24, 2007 through Chris Courtis, a visionary in Maryland, U.S.A.

*(Our Blessed Mother is here! So are the angels and saints! Everyone is here and she's holding the Baby Jesus! She says she wants us to kneel down, to bow our heads in prayer. Jesus' hands are over us as the baby, and Our Lady's hands are over us, so are all the angel's and saint's. Our Lady says,)*

Bow your heads and ask for God's blessing. Say one "Our Father". [*the group does so*] (*Now she asks us, as she does with me,*) Glory be to the Father, and to the Son, and to the Holy Spirit, as it was in the beginning, is now, and ever shall be, world without end. Amen. (*Our Lady says,*)

Praised be Jesus!

Dear children,

Tonight I come to give you my motherly blessing of joy, love, peace, and mercy. Tonight the angels join with me to let you know how much you are loved. All the angels and the saints are awaiting your love to be given to Jesus. Dear children, I love you and it is for this reason that I have come to bless you and to thank you for all that you have done for me and my Son.

I also desire to help you on the road to conversion and peace. Tonight I desire you to know that because my apparitions are a little less frequent, I desire you to still read my messages and live them. You say to yourself, "How can this be, dear mother, since you only appear now on certain days?" I say to you, read and live these messages, but I also desire you, if you desire this too, to read and live the messages of Medjugorje. I desire you to know not only am I the Queen of Peace but I am the Mother of Mercy. Where there is mercy and joy, there is peace. Where there is peace, there is always God's mercy. I desire you to know that of all the messages that you can put your time into besides these that I'm giving to you here, the most simple and basic ones that lead you to conversion are Our Lady, Queen of Peace of Medjugorje.

And now for my message:

Praised be Jesus,

Dear children,

Tonight, I call you to my Most Merciful Loving Heart. Let all children seek refuge in my Merciful Immaculate Heart by means of prayer. Those who consecrate themselves to me, to my [Immaculate Heart](#) will receive special grace and protection. Those who consecrate themselves to me will be especially loved by God. Though they will suffer a great deal, I will never leave them. My Immaculate Heart will be their refuge in a way that will lead all souls to God. My heart is so laden with God's mercy that I desire to shed it upon you through the title of Mother of Mercy, my chaplet, and my rosary.

Little children, comprehend that at the Annunciation, I was overshadowed. What does the word, "overshadowed" mean? God's mercy had to dwell in me first, and yet His mercy had to also overshadow me, and second, the Holy Spirit had to descend in order for me to bear Jesus. In all acts, it is the act of Divine Mercy. Therefore when you pray to me under the title of Mother of Mercy, realize that I was overshadowed in God's mercy and I can overshadow you with His mercy if you place your complete trust and hope in me. Those who hope in this mother do not hope in vain. I am your refuge for all your children, for all your loved ones, for those who desire conversion. I will lead you to Jesus. Trust me. Open your heart. My heart pours out such mercy and graces upon you, and yet it is always in the name of Jesus that I pour out His graces, His mercy, and my mercy as well. Take to heart this lesson, dear children, and receive His mercy coming through me. Mercy can exist, and does exist, but God will only send His mercy upon those who are humble. Therefore, humble yourselves and be open to all that He, my Son, and I may allow.

I love you, dear children, and I bless you with my motherly blessing that comes from my Merciful Sorrowful Immaculate Heart. Thank you for having responded to my call. *(She's blessing us in the name of the Father, and of the Son, and of the Holy Spirit. Amen)* Now go, my dear little angels, in the great peace, love, and mercy of God Most High. Ad Deum.

*(She's dressed all in gold. Everyone's dressed in gold. Oh, I don't want her to go! She says,)*  
I leave you, yet I remain with you. *(She's gone.)*
