

Message (4) from LADY OF MERCY

To THE WORLD

October 13, 2007 through Chris Curtis, a visionary in Maryland, U.S.A.

My dear little children, praised be Jesus!

My dear ones,

Today I thank you for coming and for praying and for being dedicated to me. I am giving you special graces this day which you can extend to others through prayer. On this day ninety years ago, I appeared to three shepherd children to show them the road to Heaven. Ninety years ago, I appeared and I asked humanity to "Stop offending God!" Today, my message is the same, if not more severe.

Again, please hear my motherly request. Dear children, you must stop offending God! If you do not, you will suffer very much. You are living in the fulfillment of the La Salette prophecies. All the demons are now unleashed from hell and the temptations to join with them are many. New Age, Christian Science, Mormonism, Jehovah's Witnesses, Atheism, Materialism, so many things, so many religions! Yes, Materialism, if you are not careful, will be your religion.

I call you like never before to repent and to return to God! God is greatly offended by the sins of humanity and he only wishes His desire to save you from the hell which exists at the end of life and today. Yes, little ones, hell exists on earth. What you make of your life is what it will be. You can live Heaven on earth now through prayer and by surrendering yourselves completely to God.

Oh, my little ones, you are in danger and I am here to help you. Tell other people that the world is threatened by grave dangers and the time of the ["time out" \(2007\)](#) is almost over. I call you to surrender your lives completely to me and let me lead you to my Son. Those who abandon themselves to me will not even feel the passage of this life to the next, even on their deathbed if they give themselves completely to me. I am with you, I am with you when you pray. I am always present but God's call remains the same.

I am sorry from my Immaculate Heart to tell you these things, but there will be great events, one disaster after another will befall you. There will be war and rumors of war. There will be great natural disasters of every kind- earthquakes, floods, droughts, hurricanes, tornadoes – all these things. You are now just beginning to see what next year will be like. Repent, dear children, and pray and love one another.

I call you to protect yourself from Satan through praying the Rosary. Go back to the use of holy water. Know that Satan is working even stronger now to take your peace away from you, but he will not succeed. With your love for me and my Son, you will be victorious over Satan. Through prayer and fasting, you will purify your souls to reach the height of God's love.

Know that only God can heal you and only God can give you His mercy. But you must pray for it. Sincerely ask His help and I will intercede for you. The time of God's justice is at hand. I do not say these words lightly. The time has now arrived, dear children, to fall on your knees and pray as you have never prayed before.

I desire to call humanity to me so that through me it might be saved. Why? How will this come about? Because I will lead you to Jesus. No one loves Jesus more than I do. I am His mother and no one loves you the way I do, because I am your mother, given to you at the foot of my Son's Cross. Those who find me will find my Son. Those who honor and love me will honor and love my Son because I will take you all the way to Jesus. *(Now she's looking around the room. She says,)*

Again, as in Fatima in 1917, over ninety years ago, my request remains the same. Pray the Rosary! Dear

little children, repent and return to God and do not offend our Lord anymore for His justice is about to descend in a most unsuspected way upon humanity! Please, do not offend God any longer for He is already so much offended!

And now, my dear children, I bless you, in the name of the Father, and of the Son, and of the Holy Spirit, and I bless all those who are here and everything on the altar, under the altar, and everything in this room including you yourselves I have blessed and will bless again, in the name of the Father, and of the Son, and of the Holy Spirit. Amen. Now as I make the Sign of the Cross again, I shall depart. I shall depart, little ones, but I will remain with you all in an ever special way. Thank God for allowing me to come in this special way, and thank you for having responded to my call, in the name of the Father, and of the Son, and of the Holy Spirit. Amen. No go in the great peace, love, and mercy of God Most High. Ad Deum. *(There is a cross behind her. It's all light. She's gone but the cross is still there, and the saints that were with her have gone too. The cross is there. It's fading. It's gone.)*
