

Message from GOD THE FATHER

To THE WORLD

April 13, 2008 through Chris Curtis, a visionary in Maryland, USA

(It's God the Father and He's seated on a large white throne. It's made of stone, something white. I can't see His face, but I can see His white garment and His hands, and the white garment just keeps moving and flowing. There are clouds around His throne, and He's, oh my! I see the Archangels, St. Michael on His right, St. Gabriel on His left, and towards the bottom, St. Raphael. St. Michael is big and muscularly built. And St. Gabriel is muscularly built but not too big. He has a white gown with a beautiful golden cross across his chest. And Raphael has a darker complexion, piercing eyes. God the Father says,)

Me dear and beloved children of My earth,

I come to you today to announce how much I love you and how present I am to you in your daily lives. On this anniversary day, I have come to ask for the consecration of each soul to My Fatherly Sacred Heart.*

I desire every state in your United States to consecrate themselves to My Fatherly Sacred Heart. By means of this consecration, I shall protect it and preserve it for a future time when America again will shine in glory and splendor.

My little ones, I know you have devotion to the Sacred Heart of Jesus and to Mary's Immaculate Heart. They're often seen coexisting with each other. You have heard of an era uniting the two hearts. I am speaking of an era that will unite these three hearts – the Fatherly Sacred Heart, the Sacred Heart of My Son, and the Immaculate Heart of your mother. By means of consecration, I shall open the depths of My love and mercy and pour out every single drop of My love upon your United States, and through the United States, the world.

Be careful, My little children, how you perceive Me for I am above all, I am your Father. You ask Me, "What is My Fatherly Sacred Heart?" I say to you, My Fatherly Sacred Heart is My love and mercy for each and every one of you. No one have I excluded. I gave you My love when My Son died on the Cross, and I continue to give you My love and mercy through the symbol of My Fatherly Sacred Heart. Know when you receive the Eucharist, not only do you receive the Son but you receive Me, your Father, and you and I become one.

The key to opening My mercy and love is your sacrifice. Sacrifice yourself for Me as My Son has done for the world, and you will feel My love and mercy overflowing you and your world. Sacrifices are needed in order to save humanity, and I am offering you My merciful, loving heart through any and all sacrifices you make to Me. Consecrate yourselves so that I can pour out the very depths of My love and mercy. Peace, My little ones, and do not be caught off guard.

After I request the consecration of each state separately and individually (*by a cardinal or bishop*), there is a future point when I shall come to ask for the whole United States to be consecrated to My Fatherly Sacred Heart, and then the world. This time has not yet come, but I am asking that each state do this, consecrate themselves to My Fatherly Sacred Heart

individually NOW. I intend to save America. With your help, prayers, and sacrifices, I will open the depth of My love.

[There was a long pause in which Chris said nothing, but days later he tried to describe what he saw at that time. He says he saw God the Father open His chest, take out His heart, turn it upside down and squeeze it. Water and the eight flames of His heart shot out and fell like rain over the whole world. Chris said the water was God the Father's complete love and mercy, and the flames were a burning, consuming spirit that engulfed the world.]

Bless you, my little ones, in the name of the Father, which I am, and of the Son, which is to come, and the Holy Spirit, whom I give through My Son. You do not comprehend the blessings I have given you this day. In time you will. *(He's showing His Sacred Heart! It's golden and it's with gold flames like in the painting!)* My Fatherly Sacred Heart and its blessings upon you. Now go in peace.

*Our Father who resides in Heaven, I approach your throne and ask that You give to me the grace of abiding within your Most Sacred Heart. I promise to love Thee and to adore Thee with all my heart and soul. O Mighty Father, love me and let me love you so that I may also be one in Your Most Holy Will. You, O God, are my Creator and my Father of Mercy and Love, and it is in Thee that I do trust that Thy love becomes my own, and that Thy Will becomes my will, and that I may live and do Thy Will, not just in this world, but in the next. O Most Merciful and Loving Heart of the Father, I love and trust in Thee through Your Son Jesus Christ. Ahmen or Amen.
