

Messages from ROSA MYSTICA  
To AMERICA AND THE WORLD

April 2, 2008 through Chris Courtis, a visionary in Maryland, U.S.A.

I

Praised be Jesus!

I am Rosa Mystica or the Mystical Rose of God.

My dear children,

I desire you to know the power of the Rosary. I desire you to know that one Hail Mary is enough to close the gates of hell for a period of time. When you pray the Hail Mary, it is giving glory to God through me. In the Hail Mary, it says, “the Lord is with thee,” for the Lord is truly with me for even though He died on the Cross, He is always with Me. Our hearts are one. Therefore, the Lord is always with me.

And in the Hail Mary, you say the word, “Jesus”, His name. What a glorious name! The name above all names is to be praised! That is why I desire for you all to pray at least two Rosaries a day. Give glory and praise to the Lord and to my Son Jesus who is always with me. Through the Rosary, you can work miracles. Through the Rosary, you too can intercede for those in need, and through prayer and fasting, especially praying the Rosary and fasting, you can stop the laws of nature. You can suspend them for a period of time. Famines and droughts could be lessened if people pray the Rosary from their heart.

I am she. I am Mary the Mother of God. I come in different forms but I am one mother. Little children, this should be applied here. Instead of praying one Rosary, you should be praying two when I appear. *(There’s a pause. She’s looking at everyone.)* Here is just part of my message for America and the world. Part, I say because this is not the complete message that I desire to give you. This is just part. *(She’s looking sad. Oh, she’s crying! She says,)*

My dear children,

I have come to America and to the world to ask you to return to God. My dear little ones, have you listened? Has the world returned to my Lord and Savior? You, my little ones, are small in prayer, and I desire to keep you that way, but the world is not listening and not living the messages I am giving you.

I have told you that the middle class would ultimately disintegrate. I have warned you that in the future, you will only be rich or poor. I have warned you of your economy collapsing, in the beginning of 2001 all the way through. How have you listened? With little faith and disbelief. I have told you that a nation divided cannot stand. I have told you again and again of famines, droughts, wars, hunger, natural disasters of every kind, and epidemics and disease, and how have you responded? I have told you that the plague of cancer would greatly increase. You did not listen. I told you that this president would not lead this nation to an era of peace but ultimately to war and purification. I have warned you that 2007 shall be a “time out” and then the greatest of chastisements shall begin. Look at the hurricanes and natural disasters and tornadoes that have already come. Do you not see? Why do you not listen? →

Now, I come to warn you of the greatest events that are coming to you now. I have said, that this president will not lead you into an era of peace but ultimately to war and purification. I stress purification because on top of the chastisements which you are witnessing, you shall experience on top of that, the Great Purification. It shall start in June and overlap the chastisements. You will be purified and chastened at the same time. You will not know whether you are being chastised from God or purified, but I give you this hint. The chastisement will end in 2015, but the Purification, which shall overlap the chastisement, shall be greater and last sometime longer.

You ask me in your heart, “What is the difference between chastisement and purification?” Behold, my answer, dear ones. The chastisement is like an angry parent pounding the table. God is trying to awaken you from your sleep. As often parents hit their children for that split second to awaken them to the dangers that they are about to face, so too, is God chastising you now.

What is the Purification? Why do you need to be purified? Is it not written in Holy Scripture, “Everyone must be purified before they can see God?” Is this not reference, little ones, to the Illumination of Souls which will take place after the purification?

I have warned you, and I have tried to ultimately lessen these things, but the world would not heed me. They would not listen to my warnings. Now God is allowing you to experience the consequences of your own actions. Through prayer and fasting you will be protected. Do not surrender to the evil, and know that I am always with you. And now for my final message:

### III

My dear children,

In the great mercy and love of God I greet you. Praised be to Jesus!

My dear children, I come to tell you that I exist and that God exists. He is calling you to realize His presence is with you always. Through prayer, the sacraments, and the Rosary, you will come to understand that God never abandons His children and never leaves you unprotected or unloved.

My little children, we are with you. I’m calling you this month to become conscious of God and how He is always present, always watching you, and always with you. I’m calling you into a deeper, intimate relationship with the Father, the Son, and the Holy Spirit, and me, your mother, and St. Joseph. We are with you always – when you are in prayer, when you are conversing with neighbors and friends, when you are home, when you are out, when you are working, we are always with you. We are tangibly present to you all the time. If only you were aware of this, maybe the world would commit fewer sins against God.

Little children, no matter where you go, no matter where you are, I am with you. God is always with you. I desire to call you to the realization of His presence and to be one with Him all the time through prayer. (*She’s looking at every one.*) If you truly become conscious of how present we truly are, you will not hesitate to call upon me, my Son, God the Father, or even St. Joseph or the Holy Spirit whenever you are in need, wherever you are. →

Pray, pray, pray! Do not be afraid of prayer. Pray on the airplane, pray everywhere you go. In public, let them see that you are praying. Give glory and honor to God through your prayers, for we are always with you. Why do I stress that I am always with you? Because you must build your faith. You must become conscious that we are with you. Only through prayer and fasting can you truly understand the depths of God's love and the range of His love.

I bless you, little children, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. And I take your petitions into my heart, and I will present them to my Son and to God, our most loving and merciful Father. Bless you, my little ones. Thank you for your response to my call. Go, my dear little children, in the great love, peace and mercy, of God. Ad Deum.
