

Message from OUR LADY OF AMERICA

To AMERICA

May 2, 2008 through Chris Courtis, a visionary in Maryland, USA

*(She's dressed in a long white veil and she's wearing a gold crown on her head, sort of pointy. I can't describe the veil except it's a triangle shape. It's really a little different, thick. She's wearing a white dress like Our Lady of Fatima dress. She has the same face as she always does. There's wording around her that I can't read. I don't know what language it's in. I see, I guess it would be her right hand, that would be lilies. I see lilies. She's on a cloud, and I can see her feet. She says,)*

I am OUR LADY OF AMERICA.

My dear children,

I thank you for your prayers and your sacrifices, and I ask you to continue to pray and to make sacrifices for America and the world. I come because I love America, and I desire to save America. By my Immaculate Conception I shall save America and return you to the glory of the Father. There are many people who feel anger and hurt, sorrow and pain, especially in America. Why? Because you have forgotten God. Return to God! Return to God! Return to God and America will shine again in glory. Bless you, my little ones. And now, my final message.

Praised be Jesus!

Dear children, today like never before do I call from you, prayer and fasting from your heart. Pray and fast for this nation that it may amend its ways and return to God. I am Our Lady of America. I am the Lady of your nation. Do not forget that I take all consecrations to me very, very seriously. You are consecrated to me under the title of the Immaculate Conception. What is the Immaculate Conception to America? Is it not purity, grace, and love overflowing out of God's mercy for His redeemed creatures? *(I see the letters again. It's a flash, and then they're gone. She tells me not to worry about the letters because I'll read them later. She says,)*

My dear children, you have forgotten what this nation has been built upon. It was built upon:

1. prayer, which you have forgotten,
2. freedom, and
3. peace, and
4. consecration to me.

Therefore, again I ask these four things for America in order to save it and to restore it. one nation under God.

1. Pray, pray, pray! Continue to pray wherever you are. Recite the Rosary for your home land, America.
2. You must realize that freedom is a gift from God that demands sacrifice and an honest effort on your part. You are called to bring freedom to all nations. Realize that your freedom and independence is a great gift to you and grace from God. Abuse it, and He will take it from you.
3. I am asking for peace. You are to be carriers of peace, an example of peace to all nations, but you cannot say that you are peaceful people if your heart is not at peace with God and with each other. Therefore, go to Reconciliation. Forgive those who

have offended you and those you have offended. Pray for peace and obtain peace through the Eucharist, especially Adoration, and praying the Rosary.

4. The last one is consecration. If you are consecrated to my Immaculate Conception, then you must be carriers of these virtues and you must return to God! You must make an honest effort to stand strong and to be pure. Purity comes from God, but you must make an effort. Renounce sin and return to God.

Dear children, if you do not, one disaster after another will befall you. There will be flooding in many places, hurricanes, droughts, earthquakes, tornadoes, great natural disasters of every kind that will be sent to you by God and also through human nature. Epidemics will increase, and you will no longer be united under God. Why? Because you are no longer consecrated to my Immaculate Conception. Those who come to me and consecrate themselves will be safe. Those who do not? Well, all I ask is that they amend their ways and return to God.

I love you, dear children, and remember *(there it is again, the letters written in gold. They are written in English now. I can read them. It says, 'By thy Holy and Immaculate Conception, Oh Mary, deliver us from evil.'*) I will deliver all souls from evil if they sincerely make an effort and amend their ways and return to God.

Please, dear children, much prayer and fasting is needed in order to save you from a great chastisement. I love you, dear children, and I bless you, and I take your prayers into my Most Immaculate and Sorrowful and Merciful Heart.

*(Now there's a torch by her, it's like suspended in air. She says,)* You, dear children, are the torch. If the torch goes out, it must be relit. How? If you do not pray, it will not be lit. I bless you and all that's here, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Thank you. Now go, dear children, in the great peace of God. Ad Deum
