

Message from OUR LADY OF THE ROSARY OF FATIMA
To THE WORLD

October 2, 2008 through Chris Courtis, a visionary in Maryland, U.S.A.

(It's Our Lady. She's making a descent. Our Lady has the same features as she always does. She's wearing a long white veil. There's gold trim around the veil which flows all the way down to the cloud she's on. She's wearing a white dress, and she's just radiating in light, and there's a tiny star at the bottom of her dress, and her hands are in prayer, and it's a beautiful rosary of gold and mother-of-pearl beads. She says,)

I am Our Lady of the Rosary of Fatima.

My dear children, in the great love, joy, and mercy of God I greet you. My little ones, thank you for coming together and for praying. Pray always, in this group and separately at home. I need your prayers because your love and your prayers console my Sorrowful and Immaculate Heart. Now, my message:

My dear children,

How often have I called you to return to God? How often have I extended to you the Rosary in hopes that you would pray for peace, not the peace of the world, but the true peace of the Lord? Little children, please hear me again. Pray your Rosaries for peace in the world and for an end of abortion. That sin offends my Son's heart and mine most grievously. Please, dear children, you must stop offending God!

Little ones, it was I, your mother, who predicted to you that in the future there would be no middle class, only rich or poor. Look around you. Have not my words come to pass? Little children, I have warned you that you are living in the age of great chastisement and purification from God. Yes, little children, you are being purged from material wealth. You are being purged so that you may be ready to see God.

Little children, pray as you have never prayed before! I am the Lady of the Most Holy Rosary of Fatima. I alone can still lessen many of the things to come. Little ones, had you listened to what I said in the eighties, what happened in the nineties would have been lessened or eliminated. Had you listened to what I said in the nineties, much of what is happening now could have been lessened or eliminated. Now, there is no choice. You will suffer, and suffer you will.

My little children, I am deeply sorry for having to give this message to you, but there is no other alternative but prayer and returning to the Lord. If you do not cease offending the Lord, there will be more financial difficulties to come. Even greater natural disasters will befall you – hurricanes, earthquakes, floods, famines, droughts, tornadoes, and finally, famine will grip this nation and others until you amend your ways.

Little children, I offered you a way out in Fatima. Again, I offer you another way out, through prayer of the Rosary and return to the Lord. My message remains the same as in Fatima, Portugal, in 1917. Please, my dear little children, you must stop offending God! My Son and I are greatly offended by the sins of ungrateful souls all over the world. Return to God, little ones,

pray your Rosaries for peace, and make many sacrifices for the conversion of sinners. This is the only solution that exists for your time.

I love you, my little ones, and I take your petitions to Jesus. Bless you, my little ones, and please, put God in the first place in your life and return to prayer. Return to God.
