

Message from OUR LADY OF THE ROSARY

To THE WORLD

September 2, 2008 through Chris Courtis, a visionary in Maryland, U.S.A.

(Our Lady is making a descent. [long pause] Our Lady wants me to describe what she looks like. She has a long white veil with gold trim around the veil. The veil flows all the way down to the cloud. Her face is exposed and I can see a little of her hair but not that much. Her face is beautiful! She has big beautiful blue eyes, the most beautiful mouth, rosy cheeks, an oval shaped face, long neck, long fingers. Her hands are in prayer. Her dress begins with gold trim on the neckline. The dress is all white with a gold belt. It flows all the way down to the bottom, and there is a white, tiny, lit star at the bottom of her dress. Her sleeves are long and she looks like she has extra sleeves that are slit at her wrist. It's all white. The gold trim is around the long part of the sleeves. Her hands are in prayer. There's some kind of necklace. It's sort of round and gold. The necklace has a gold round ball, and the rosary is mother-of-pearl with a gold chain and gold crucifix. She's on a cloud that's white and there's just light all around her, unbelievable amount of light, white, golden, sparkles also. She says,)

I am Our Lady of the Rosary. My dear little children, in the great peace and love and joy of God I greet you, and I thank you for coming today, for praying with me, and for being dedicated. Your love consoles my heart. Continue to pray for the conversion of sinners and for an end of abortion. That sin offends my heart and the heart of My Son greatly. And now, my message:

My dear children,

I have come again as Our Lady of the Rosary of Fatima to invite you again back to God. Please, little children, you must stop offending God. God the Father, the Son, and the Holy Spirit are greatly offended by the sins of ungrateful souls all over the world. The only time that remains for you now is for conversion. Please, my little ones, convert before it is too late, and while I am with you. It is a grace. Use this time of grace wisely. Repent and amend your ways. Rekindle your relationship with Our Lord by going to Confession and making the necessary sacrifices and penances for your sins. My little ones, if you do not stop offending God, there will be famines, droughts, hurricanes of great proportions, tornadoes, floods, epidemics and sufferings of every kind. New diseases will continue to emerge, and my people's faith will be greatly tested. If you are not careful to amend your ways, the possibility of a third world war is still looming. Pray, pray, pray as you have never prayed before, and amend your ways!

My message remains the same as in Fatima, Portugal in 1917. *(She's holding up her rosary.)* Take this Rosary and pray it from your heart. Pray, pray, pray! Offer up daily sacrifices and penance for your brothers and sisters who live in great sin. Again, my call is the same. I ask you to amend your ways and to live the message of the gospel. Through the message of the gospel, your hearts will be renewed and rekindled, and you will find joy, and you will desire to pray. And through prayer, you will bring other souls, in your prayer, to me and my Son. I love you, dear children, and I ask the whole world to amend their ways. Please, dear children, you must stop offending God! If you do not, one disaster after another will befall you until you amend your ways. I love you, little children, and my message is serious because the world in whole is not paying attention to my messages and my appearances. I love you, and I bless you, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.
