

Message from MOTHER OF MERCY  
To THE UNITED STATES AND THE WORLD  
May 25, 2008 through Chris Courtis, a visionary in Maryland, USA

*(She's descending. Our Lady, she's dressed in a gold veil that's wrapped around her just like the Mother of Mercy. Her dress is white with gold embroidered on it. They look like designs of flowers. And Jesus is dressed all in gold, and He has a gold ball with a cross on top of it. Our Lady is just all in light. [a long pause] Our Lady is speaking privately.)*

My dear little children, praise be to Jesus!

My little children, I have come among you many times, and I have revealed to you many things that will come upon this nation if it does not return to God. Today again, sadly I must come and give you warnings. Little children, you shall see many changes in this decade. There will be many natural disasters. There shall be many spiritual disasters.

Little children, time has run out. The sins of men grow ever increasing, and God the Father's mercy is being poured out in abundance, but as He is pouring out His mercy in abundance, His justice is also becoming full. Therefore, dear children, be aware! Be on your guard! Satan desires to tempt you by making you think that these natural disasters are all from God's anger and justice. No, dear children, God loves you, but He chastizes those He loves. Therefore, dear children, wake up! Stand firm in your faith! Pray and believe with all your heart!

When I say to you that God's justice is building, realize that there is impending danger of a great disaster which may still befall you if there are not enough prayers and sacrifices. Remember Katrina. Remember those three months in which I and my Son gave stern messages, and after I stopped speaking, a great disaster fell. That is why, little children, you must take my message seriously. Time is no longer on your side. Therefore, little children, you must stop offending God! If you do not, one disaster after another will befall you, and you will not have time to recover before another one will hit you. There will be floods, epidemics, earthquakes, hurricanes, tornadoes and epidemics of all kinds. This nation and others shall suffer many losses.

You, dear children, in the United States are called to be children of peace. You are the bearers of peace to those nations without it. Therefore, dear children, pray and be responsible for the gifts and graces God has given to you. I am sorry from my Immaculate Heart to have to tell you these things, but the world is not listening, and many people have turned a deaf ear to my messages. I wish no longer to give to you messages like these, but because of those who have become dear to my heart, I must still yet warn you and others that great disasters are yet impending and still may come upon you unless you return to God. Pray, pray, pray, dear children and amend your ways!

I have not come for one person but for this entire nation and the world. All are loved by me, the Mother of Mercy. Therefore, stay in my motherly mercy by praying and surrendering completely to God. Give time to prayer, and give time for personal prayer. Talk with God. Talk with Jesus. Talk with the Holy Spirit. Talk to me. Talk to St. Joseph, but open your hearts through prayer. I love you, dear children, and every prayer from the heart meets you with more graces. →

I wish I could say to the whole world, thank you for responding to my call, but yet the world and America have yet to fully comprehend my messages and respond to my call. Again, dear children, please, you must stop offending God! And now, my final message, and after this I shall depart.

---

My dear little children, praised be Jesus!

My dear children,

I come to you from Heaven this very day. I intercede for each and every one of your needs on this, the great feast day of Mother of Mercy. Little children, you ask me, am I not also the Mother of Divine Mercy? I say to you this, as wonderful as the title is, Mother of Mercy carries with it the title of Divine Mercy (referring to Jesus in her arms) and of Mother of Divine Mercy. How? By my simple title of Mother of Mercy. Look at my painting. (*She's pointing with her finger to the painting. She says*) Do you not see me hold the Child Jesus? Am I not here present holding the Child Jesus? He is Divine Mercy. He is Divine Love. He is Divine Forgiveness, and yet all His love and all His mercy can be easily accessed through me. Therefore, I open the palm of my hands with graces and mercy that come from God. Therefore, in the title of Mother of Mercy I also have a hidden title, and that is Mother of Divine Mercy.

All those who think they have gone so far from my Son in sin and sloth can return to God without judgment or condemnation if they go through me and ask pardon for their sins and pray from the heart and then go to Confession, they will receive complete pardon, and I as the Mother of Mercy and Divine Mercy will give to them all my Son's love and mercy, and will minimize the punishment that their sins deserve.

I love ALL my children throughout the world. I am their mother. My Immaculate Heart radiates with love for all my children who are consecrated. Yes, little ones, even if they leave my Immaculate Heart, I will seek them out and bring them back to the mercy of God. Oh little children, not one of my children who ever consecrates themselves to my Immaculate Heart will I ever leave or abandon! I will seek them out even in the midst of hell and despair within their lives! Oh, little children, I wish to give you great graces, and I will. (*She's pouring forth great graces from the palm of her hand.*)

Oh, little children, this day is a great day because I wish to announce to the world that I am also the Mother of Divine Mercy. You do not see this title, but it is hidden in the Mother of Mercy. Little children, I love you ALL unconditionally, and I desire you to strive for holiness. Therefore, dear children, abandon yourselves completely to prayer. Go to the Holy Eucharist. Beg pardon for your sins, and receive unlimited graces and mercy there at the foot of my Jesus in the Eucharist.

Little children, I also desire to tell you - (*She's pausing. She's looking around at everyone around the room. Now she's looking in front of her.*) I wish to tell the world that God exists and that Jesus loves His children. Oh little ones, grow in His love, and you will be suspended in His mercy. Take a risk. Fall into His loving embrace through my Immaculate Heart. One day, through my merciful heart, I will save the world. Yes, little children, through my merciful heart, my Merciful Immaculate Heart, I will save the world. →

Little children, you ask for blessing. I give you graces and mercy in abundance. Open your heart to receive the gifts that God and I desire to give to each one of you. Pray without ceasing and know that in your sufferings, little children, you will obtain the greatest mercy. How so? Look at your mother as the example and source of grace. If I did not suffer at the foot of the cross, not only would I not be your mother but I would not be the Mother of Mercy. Therefore, know that through your sufferings you obtain abundant graces and mercy.

I love you, little children, and I take your petitions into my Merciful Immaculate Heart, and I will present them not only to my Son Jesus who I hold in my arm but to the Holy Trinity who has appeared on this date. Blessings, my little ones. I bless you, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Now as I bless you again, I shall depart. I shall depart, little children, but yet I will remain always with you when, and especially when, you all pray, and take the time to pray. Also little children, as I bless you, I bless all that's here in this room, all that you have on, all that you have with you, everything on the altar, by the altar, under the altar, everything I will bless, then I shall depart, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.

Make the Sign of the Cross, please, slowly, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Make the Sign of the Cross slowly and often throughout your days. I love you, dear children, and thank you for having responded to my call. Now go, my dear little angels, in the great peace, love, and mercy of God Most High. Ad Deum. *(There's a light enveloping her and Jesus, and they're ascending toward the ceiling.)*

*[At the end of the Mother of Mercy Chaplet, Our Lady appeared again as Mother of Mercy]*

*(She's on a cloud. The cloud is coming down to the altar and now to the star on the floor. The cloud is disappearing. I see her feet! She's smiling. She puts one foot in [a hole in the middle of a metal star over the spot where her feet touched the floor on March 13 and December 13, 2005.] She takes it out. She puts the other foot in. She takes it out. She's radiating in light. The cloud is covering her feet and lifts her an inch above the star. Our Lady blesses us, "in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Go in the peace of God" She's rising. She's rising. She's rising. The light is enveloping her, and now the light is moving up. It's gone.*
