

Message from OUR LADY, MOTHER OF MERCY
To THE WORLD

November 2, 2008 through Chris Courtis, a visionary in Maryland, U.S.A.

It's Our Lady! It's Our Lady, Mother of Mercy and she's dressed all in gold, even the baby, even her veil. She says,)

My dear little children, praised be Jesus!

My dear children, today, like never before do I call you to build your faith. Do acts of charity, love, and mercy. You, little children, are the extended hands of God's mercy. You must receive His mercy and give it to others. Therefore, here is what I say to you - pray, pray, pray, and open your heart to the Holy Spirit! Little children, I am your Mother of Mercy, but the Holy Spirit is also a God of mercy. Let Him fill you with His love, with His light, with His mercy. Let your hearts be rejuvenated and rekindled. *(The Holy Spirit is with her. It's on her head.)*

Little ones, the only reason why I am the font of grace is because I bore the One who is the giver of grace, Jesus. It was through the Holy Spirit that I conceived, and it was God the Father's overflowing mercy that overshadowed me. I know, little children, that you do not understand and comprehend yet this mystery, but I can tell you without a shadow of a doubt I am your loving, merciful mother.

My Jesus is here to bless you and to bring you the Holy Spirit anew through me. To receive such a great gift and blessing from God, you need only to open your heart and to surrender to His Will every day. When I speak of the Holy Spirit's Will, I speak of that of the Holy Trinity's Will for they are one and they are the same.

It was never God's intention that His little children become lost or abandoned or that the fall of Adam and Eve should bring forth such desolance and sorrow. Little children, know this was not God's Will in the beginning. It was the deception of Satan and through your own disobedience that sin and suffering came into the world. But God so loved the world that He sent my only Son so that whoever believes in Him will not die but have everlasting life.

Even that was not enough for my Son, for He gave me to you at the foot of the Cross and the wonderful, glorious gift of the Holy Spirit. Jesus has said, "I am love and mercy itself." When a soul approaches me, I fill it with such an abundance of graces that it cannot contain these graces but rather radiates these graces to other souls. Let this saying be given also to the Holy Trinity and to your mother. Those who seek our intercession, mercy, and help will find strength and grace when they accept God's Will.

Little children, remember what I said in Fatima. I said in response to questions of cures and conversions, I said for some "yes", and others "no". Why do I draw your attention to this? Because it is God's Will and His Will alone, in His mercy, and in His time that must surely be accomplished. Let the Holy Spirit guide your heart and be renewed with His love.

Today, also, I take 40 souls from each of the levels of Purgatory into the Kingdom of God. It is through the act of God's great mercy that He sends me to you, and it is with His great voice of

mercy that He cries out to you, little children, to receive the Holy Spirit and to be merciful even as He is merciful.

I love you, and I bless you, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Now I come to take your petitions into my heart, and I will present them to the throne of the Holy Trinity. This day I bring you the blessings of the Holy One - the Father, the Son, and the Holy Spirit. As I bless you again with the Sign of the Cross, I shall depart and I shall bless all that is in this room, all that's on the altar, by the altar, under the altar, all that you have on, and all that you have with you I will bless again, in the name of the Father, and of the Son, and of the Holy Spirit. Know that I love you. Take to heart my words, little ones. Thank you for having responded to my call. Go now in the great peace, love, and mercy of God Most High. Ad Deum. *(The light is still around her. The light is there. Now she's enveloped in this light. Now she's making an ascent. The light is moving through the ceiling. Now she's gone.)*
